12-10-73 0900 hrs: Received TT from Thurston County with details of unidentified LF found in their area. Descriptions given in TT match very closely to that of TVW Katherine Merry Divine. The mother was contacted under the pretent that addional information was needed for a TT that I wanted to sent to Oregon. Information gained, such as, 1. Missing party does have pierced ears, clothing described in TT is exactly as described by mother, even to the reint of very recently acquired; waffle stompers. Jeans were of the navy type as apposed t the levi type. 1000 brs: To the Scattle Public Health and Dental Decartment, 14th floor Public Health and talked to Dr. Prince. He looked up R/W dental chart and compared in to the description in the TT., R/W had not had too much detal work done a the clinic, however their records as far as they have, are identical to the description in the TT. He does have x-rays. 1130 hrs: "To medical examiners office and talked to Dr. P.F. Resan did autopsy for Thurston County. He looked at picture and state that the we dental formation in thepicture is as he remembers it to be also took x-rays and has them at his home. He vill conferate in any wey. 1200 hrs. [Contacted University of Wash. Pental school: Subject, W. S. Colave started dental work there, however no work has been done at this date, so they have n records on childs teeth. It is this Detectives opinion that the victim in the Thunston County is the same es Our Runaway CS# 73-57047, DEVINE, Katherine Perry NOTE: MRS. SALLY DEVINE, MOTHER OF ABOVE DOES NOT KNOW THAT THE DETECTIVES VERIFIED THE ABOVE FACTS. Further identifying facts may be able to be by contect with her and comparing to TT. NUMBER B/A NUMBER 12-10-73 1645 brs. Dr. Bessant-Mathews called back and advised that he wil bring the x-rays and dental impressions to the office in the morning. that time someone from our office and can picks them up and take them to Doctor Prince on the 14th Ploor of this building. Dr. Prince then can compare the medical type rereys to those of his. If he also has impressions of the R/W Devine mouth, according to Dr. Mathews, this would be a "Natural". 12-10-73 1800 hrs. Recomved p/c from Det. You Allman who had just recid a call from Mrs. Sally Davine who had just seen a newsboard cast concerning the XX found body in Thurston County. / She is convinced that the body, description and the composite of the picture shown on the T.V. is ker Ven Allmen stated that he would have the mothers stater give us a call as soon as he could contact her. In the meantime he was going to contact the father, Bill Devine and have him call us. 12-10-73 1815 hrs. Recid P/C from Bill Devine, Bus; AT 4-1721 Home; CH 3-90 19. He wanted to know just exactly what our thoughts were on this thing. Von Allman advised that he wanted to bear it from the shoulder, therefore he was advised of our feelings as of this point. He stated that he could n't answer all of our questions as he had been away from the home for 21 yr It was requested that he contact his ex-wife and found out what other dentist she had attended. At first he could not remember any of them and then recalled a Dector Paul B. Stanton on North 55th Street. A check reveals

a Dr. Stanton at 101 N 35th phone 763 636 home residence of 23715 110th West, Edmonds, Wn. home phone #542-14134. Mr. Devine stated that her teeth were very distinctive in that she had a double set of eye teeth growing out of the upper palate. Mr. Devine will check on some I tems and call back.

NUMBER CASE SUMMARY B/A NUMBER 12-10-73 1830 hrs. Mr. Devine called back and stated that his daughter 6. was wearing small "Crosses" in her pierced ears. He described the saude jacket almost identical to that mentioned in the teletype. He also asked his wife one other question which had not be mentioned to him earlier. He asked if this found girl had an embroideried Dragon patch on her blue jeans, on the rear pocket. Det, answered in the affirmative, at this time Mr. Devine stated that he was 90% sure that it was his daughters body. He was advised that we would contact the Thurston County Coroners office and advised them that he was willing to go down there to attempt identification. He is willing as long as he doesn't have to wait to long. 12-10-73 1900 hrs. Contacted the Thursten County Coroners Office, 357-7402 7。 Ceroner Hellis Faulz. Advised him of the possiblity that their homicide victim is our R/W Kathrine Merry Devine. Filled him on the date and misc. of her reported runaway. Also gave him the Fathers home phone number to make arrangements for him to make identification. Faulz stated that the victim face on one side is in good shape, the other side is unidentifible. He stated that they had sent a wirephoto of the victims good side to the Seattle newspapers and the father should be able to make an I.D. from this Faulz stated that he would contact the Sheriffs office for us and photo. fall him in. This Det. called the listed number on the teletype but there was no answer. 0. 12-10-73 1910 hrs. To the press room and contacted Jerry Carson who will check on the photo sent from Thurston County.
