DATE OF BIRTH: 5-10-51

PRESENT ADDRESS: Rt. 4, Box 394, Olympia, Ph. 352-4634

I do hereby give the following statement to Janice Marks, whom I know to be a Deputy Sheriff of Thurston County, Washington, as an aid to investigation and all facts contained herein are true to the best of my knowledge and belief.

- Q. Beverly, at this time, we would like to have some additional information regarding the sexual assault upon you on the 30th of November 1975. Can you describe the truck driven by the suspect in this matter?
- A. It was a big flatbed, maybe a 1 ton, white, 4-wheel drive, black interior, it was an older model truck. It had stacks on the outside, like exhaust pipes is what they are. A gun rack attached to the window and on the passenger side was a speaker for the radio. The seats were black. I couldn't tell if the insides were white or tan, the glove compartment was broken and there was a thing to hold bottles or cans, it was metal. The cigarette lighter he said didn't work, it was a stick on the floor. The driver's side door didn't close properly. I don't remember any mirrors. On the ceiling there wasn't a normal roof, it had been ripped out, it was all metal. It was a messy truck.
- Q. I understand that you have identified the person through photographs?
- A. Yes.
- Q. Were pictures taken of the injuries sustained as a result of the assault?
- A. Yes, except for the one of my elbow.
- Q. Do you still have bruises?
- A. Yes.
- Q. Are they still visible enough to take pictures of?
- A. Yes.
- Q. During the sexual assault, did you notice anything abnormal or different about the body or sexual organs of the man?
- A. No, it was dark and I couldn't see anything.
- Q. Was he rough during the sexual assault?
- A. No, he was very gentle.
- Q. Did he talk to you at all during the actual act of intercourse?
- A. No.

- Q. I understand there were two acts of intercourse a few minutes apart, do you have any idea of how long it was between the two?
- A. I smoked a cigarette that I can remember, maybe two. I don't smoke. Maybe 10 minutes, no more.
- Q. You are positive in your own mind that he climaxed during both assaults?
- A. Yes.
- Q. How do you know this?
- A. I was married one time and I know what it's like.
- Q. Did he use any type of precaution at all?
- A. None.
- Q. Are you on any type of birth control method?
- A. Yes, I am on the pill.
- Q. Beverly, when was the last time other than the sexual intercourse on the 30th, did you have sexual intercourse with anyone?
- A. Wednesday.
- Q. That would be November 26th, 1975?
- A. Yes.
- Q. Do you remember about what time of the day?
- A. About one in the morning.
- Q. Was the act completed?
- A. Yes.
- Q. Was any type of precaution other than the birth control pill used?
- A. No.
- Q. Did you use any type of feminine hygiene after that?
- A. No, I just took a shower.
- Q. Who was your partner?
- A. A boy friend.
- Q. Is this someone you have been seeing regularly?
- A. Yes.
- Q. Was there a time prior to Wednesday that you can remember that you would have had intercourse?
- A. No.
- Q. Is Wednesday the first time in a long time?
- A. Yes.
- Q. Was his body hairy?
- A. Yes, he had a hairy chest and hair on his back.
- Q. Was there any type of blemishes on his body?
- A. Not, that I noticed.

- Q. How about his arms were they excessively hairy?
A. No more than normal I would say.
- Q. Were the acts of intercourse over quickly or did it seem to take awhile.
A. Over quickly.
- Q. Both acts?
A. Yes.
- Q. Now since the 30th, when you gave us your first statement has anything come to mind that you'd like to add at this time?
A. Yes, when I pulled into the service station to buy gas another service station attendant came out and put the gas in and took my money while the suspect was talking to me.
- Q. Have you ever seen this other service station attendant before?
A. Yes.
- Q. Do you know his name?
A. No.
- Q. Can you describe him?
A. He had a mustache and dark hair, about 25.
- Q. Is there anything else you'd like to add?
A. I helped him get dressed, I helped him put his shirt on. He rolled down his sleeves and I remember he had on long sleeves. I said I bet your wife doesn't do this.
- Q. Why did you help him get dressed?
A. I figured if I was as nice as I could he wouldn't hurt me and would let me go. I was petrified.
- Q. After the assault, you mentioned that he put his hands on your neck and threatened you, did he hurt you at this time?
A. No, just grabbed me around the throat and said you're not going to tell anybody are you?
- Q. How did he let you out of the truck?
A. We drove to my vehicle and I opened the passenger door, which he told me earlier only opened halfway and I got out of the truck and he went down the road and I went home.
- Q. Is there anything else you'd care to add?
A. He told me the truck used to be a pickup and he converted it into this flatbed and I asked what he had in the back and he said tool box.

I, Beverly Joanne Fredericks, have read this statement of three pages and I find it to be true and correct to the best of my knowledge and belief.
