Detective Kathleen McChesney
Department of Public Safety
King County Court House
516 Third Avenue
Seattle, Washington 98104

Detective McChesney:

Refer to the attached copy of Captain Mackie's letter requesting any information of record in Oregon concerning these subjects.

With the possible exception of [REDACTED] there is no record of any of these persons having ever been a student or employed at Oregon State University. In addition, they have no record with the Department of Motor Vehicles or the Oregon State Bureau of Identification.

The Oregon State University Archives has a record of the below listed subject who may be the same subject as [REDACTED]

A. [REDACTED]

DOB: unknown

White/Male

College of Forest Resources

University of Washington, Seattle 98195

This subject submitted an Ethnic Group form to Oregon State University on July 10, 1972. The form includes only the above very brief information, and is normally preceded by an application form for employment. The university, however, has no record of such an application form, nor any record that he has ever been a student, or employed here. It is believed that he made application for employment, but was never hired.

On August 14, 1975, Clark County Deputy Sheriff Songer telephoned our office to report the following information on the below listed subject:

[REDACTED] DOB: 10-[REDACTED]-51, about 5'5", remainder of description is very close to "TED."

They arrested this subject on August 14th for possession of marijuana, and he was released the same day. Deputy Songer interviewed the subject who stated he read about the murdered coeds in the Oregon State University school newspaper. He further stated that he has attended the University of Washington at Seattle. In addition, he owns two Volkswagen Bugs; one black, and the other yellow. He is employed as a roofer in Vancouver, Washington, and also resides in that city. His brother is reportedly a Volkswagen dealer in Vancouver. Deputy Songer believes that this subject fits the composite drawing of "Ted" very closely, and should be

investigated. He further advised that he has already given this information to you.

If you wish to contact him for further information, he can be reached at the Clark County Sheriff's office, phone 285-6800, or at his residence, (206) 8327.

Let me know if I can be of further assistance.

Sincerely,

William R. Harris, Investigator
