To whom it may concern;

The following information was brought to my attention by Mrs. Segaar, a resident in Lynden, Washington. It was requested that I forward the enclosed picture. The male subject is Ted [REDACTED] 5'11", sandy blonde hair and blue eyes. His last known address was [REDACTED] E. Laural Rd. Bellingham, Washington.

Ted is described as being very irrational at times. For example he has walked off two jobs, one in Lynden, for what reason it is unknown. Subject has never returned to pick up his last pay check. Ted also did this at a service station somewhere in Whatcom county.

Mrs. Segaar states Ted talked about sailing on more than one occasion. When he did not get his way at times she feared him because he became very forceful. Ted was a student at Western Washington State College in 1973. Ted also attended a college in the Seattle area sometime in 1974 and studied forestry. According to Mrs Segaar he might have a very good knowledge of the area where the slain victims were found.

Ted was engaged to Virginia Elliott and broke the engagement for no apparent reason. Miss Elliott's last known address was, 188 Prince Ave., Bellingham, Washington.

I hope this information might be of some help. If any further information is requested, I may be contacted at (home) 206 354-4652, and I will contact Mrs. Segaar for you.

These are the letters EPD gave to me. The #2 was found in a book-library & is in letter #1.

Nothing has been done by the City PD - it is their case & the officer in charge has not assigned a case to it.

I don't know whether to believe these are for real or not.

I don't know if you can help me but would you please try. I have fallen in with these people who are doing things that I just can't go along with anymore. I was a high major at USC ~~but I can't tell you anymore about me because I don't know what is going to happen and I don't know if your going to get this letter.~~ I'm scared and need someone to talk to. My girl friends introduced me to this guy ~~who convinced~~ who convinced my that he had powers to open my mind three hypnosis along with some other people who do "psychic experiments". He would tell me to go into a half-awake sleep and I was having dreams that came and went which I could not remember. Then he would make me write and I was writing things that were impossible for me to know - not exactly the future but things about other people and things I didn't know. This was happening about last October and November. I felt very attracted to this man and said that I was in "love" with him. I found out he lived with other girls and had a "free-sex" arrangement with them and I even caught him in bed with a boy from junior high school! But I just didn't care. I guess being away from home so long I just lost all my pride. By this time winter quarter was here but I didn't register because of this man and the people who live in his house. In the middle of winter nights they were going to ~~sleeping~~ secretary and dancing naked. They took me along and killed chickens and ate a cats and shipped the blood on themselves. They gave me lots of dope all the time and said I could live in there house rent free if I helped them sell dope - mostly cocaine. We stayed high all winter. I was having insomnia, a nightmares while I was awake - not really seeing hallucinations but just believing awful things were happening and he kept saying that they were real and only he could control them. They sometimes all sit around naked chanting and then start yelling like they are out of their heads and I felt like doing it to and couldn't help myself. I moved out of there at the beginning of April and am afraid to tell my parents what has happened but have painted a rosy picture in letters. I can't call the police and I'm scared to death that one of them might see me go into a church. Yesterday one of the girls told my I had to come back to the clan or they would "take my mind apart piece by piece". It scared me so bad I haven't left this house since. Last night I had a nightmare I thought he was in my room he forced me to submit to him sexually and I heard them all laughing and singing. Then he was laying beside me on the bed and I couldn't find the light and he it was like he was dead I couldn't move him or wake him up

I spent the whole rest of the night in the corner till light came and when I looked out at the thing on my bed it was just a wad of blankets.

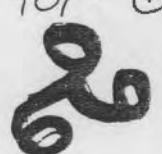

I know this must sound like a joke because no one would believe this unless they had seen it with their own eyes. ~~the leader of them~~ ^{pages} that a psychiatrist would think I was crazy if I told and probably put me away if I am desperate. I never thought much of religion before but if ~~there~~ is a God won't he help me? They have never mentioned they ~~don't~~ ^{don't} believe in him. They are getting more gullible people all the time mostly young girls who should know better. They leave signs like this ~~2~~ ² around wherever they have been.

Please tear up this letter after you read it because I know what's going to happen if they find out. If you can help me please write a reply - telling me what to do. Their spies are everywhere though. ~~Put your note in the library in the pages of this book.~~ Put your note in ~~the library~~ in the pages of this book. YV-341 M3 1923. Make sure nobody sees you, please! I pray to God that nobody has seen me mail this letter. I'm counting on you.

P.S. Hope you can read my messy handwriting and terrible spelling. I'm really not dumb but this thing has me so shook up I hardly know what I'm doing.

I can't help you, miserable whore,
and "God" certainly won't! You're too filthy
for even a smegma reeking masturbator like
him to want to touch with anything other than
a cattle-prod — you stinking worm infested
slut! Jesus blows his nose and wipes it
on slithering little puss-fathered cunts like you
— he hates your guts as much as you do.

So how do you like your **NEW** Dream home
vulva-gums, hmmm? Paying the rent by selling
the putrid slime that drips from your infected
hole as nose drops for preachers?

You won't get away with this for long
you know. We never lose a member except
thru "retirement"! And you'll be licking
Vankendingham's crinkled brown anus before
you joined that puke-farting crew of pimple-faced
superstitious peasants who suck the sweaty
gonads of anyone who claims to speak for "God"
Bye for now sweatheart — but not
for long...

SUPPLEMENTARY REPORT
SHERIFF'S DEPT.
 ELLENSBURG, WASHINGTON

Officer **34. A MISSING PERSON**

Complaint **CWSC SECURITY**

Address

ADDITIONAL DETAILS OF OFFENSE, PROGRESS OF INVESTIGATION, ETC.

SIR:

AT APPROX 1000 4-26-74 JOE MOORE, ROSLYN CONTACTED SHERIFF BARRET AT THE OFFICE TO REPORT THAT AT APPROX 0930 4-18-74 WHILE HE WAS DRIVING EAST TO ELLENSBURG FROM CLE ELUM ON THE OLD CLE ELUM HIGHWAY HE OBSERVED WHAT APPEARED TO BE A MAN ACTING IN A SUSPICIOUS MANNER. MOORE ADVISED THE SHERIFF THAT HE SAW A YOUNG MAN 140 150 LBS 5'6" 5'8" LT BROWN HAIR WEARING A BROWN SHIRT, DRIVING A OLDER DARK BLUE 2DR SEDAN THAT HAD A SUN VISOR OVER THE FRONT WINDOW. POSS. A FORD. MOORE ADVISED THAT AS HE APPROACHED THE VEHICLE FROM THE WEST HE SAW THIS INDIVIDUAL DUCK DOWN BEHIND THE TRUNK OF THE CAR AND AS HE PASSED THE SUBJECT MOVED AROUND THE CAR TRYING NOT TO BE SEEN. COMPL. THEN WATCHED IN HIS REAR VIEW MIRROR AND THE SUBJECT WENT DOWN INTO THE DITCH AND TRIED SEVERAL TIMES TO CLIMB A BARBEE WIRE FENCE. AT THAT TIME THE CO. PL WAS OUT OF VIEWING RANGE. MOORE ADVISED THAT THE SUSP. VEH WAS PARKED WESTBOUND ON THE SHOULDER OF THE ROAD ON THE OLD CLE ELUM HIGHWAY APPROX. 2 MILES EAST OF THE HAYWARD HILL INTERSECTION. IT WAS JUST AT THE BOTTOM OF THE HILL WHERE THE SAND BANKS RUN ALONG THE HIGHWAY. MOORE BELIEVED THAT THE SUBJECT IN QUESTION WAS ATTEMPTING TO HIDE SOMETHING ON THE NORTH SIDE OF THE ROADWAY. MOORE ALSO INDICATED THAT HE DID NOT KNOW THAT THE COLLEGE GIRL WAS MISSING UNTIL HE HEARD IT ON THE NEWS P.M. 4-25-74.

at approx 1030 DATE I DROVE MR. MOORE TO THE SCENE OF THE INCIDENT AND WITH HIS HELP WE MADE A SEARCH OF THE FIELD ON THE NORTH SIDE OF THE ROAD. THIS AREA IS QUITE THICK WITH BUSHES AND SMALL TREES SO A THOROUGH SEARCH BY TWO PEOPLE WAS NOT POSSIBLE. THERE WERE NO TRACKS VISIBLE IN THE FIELD OR ALONG THE EDGE OF THE ROADWAY. I CONTINUED THE SEARCH OVER TO THE SOUTH SIDE OF THE ROAD. AGAIN SMALL BUSHES AND TREES BORDER THE ROAD MAKING AN INTENSIVE SEARCH IMPOSSIBLE. MOORE AND MYSELF CLEARED THE SCENE AT APPROXIMATELY 1115.A AND RETURNED TO THE OFFICE. MOORE ADVISED THAT IF ANY ADDITIONAL HELP IS NESC. TO CALL HIM IN ROSLYN.

AT APPROX 1130 DATE I CONTACTED SHERIFF BARRET AND SUGGESTED THAT IF SEARCH AND RESCUE PERSONEL COULD BE MADE AVAILABLE OVER THE WEEKEND THEY COULD DO A GRID SEARCH OF THE AREA THUS CLEARING ANY DOUBT ABOUT THE INCIDENT. I ALSO CONTACTED DEPUTY HALLY WHO WAS INOUT TO CONTACT CHIEF FICKELS AND ADVISED HIM TO RELAY THE INFORMATION ON THE VEHICLE TO THEM FOR FOLLOW UP. JLF

In reply to your request for a photostatic copy of the above-mentioned individual(s) drivers license/identification card, we were not able to furnish a copy due to the reason(s) mentioned below:

To Whom It may Concern:

Today, while hunting for wild blackberries south of Arlington, an incident occurred that seemed well worth reporting to the Arlington police department. Immediately following the incident I did phone a report to that agency. After more thought on the occurrence I wanted your department to have the information for whatever it may be worth.

The car I was driving was a 1970 green cadillac sedan. The occupants, other than myself were my 23 year old daughter, my 32 year old daughter, and my husbands 82 year old uncle.

Uncle Rex is very short and at the time of the incident I did not realize that he is so short, and always lays back in the corner of the back seat and is not visible from the rear of the car. I noticed this later and I think this had a lot to do with what happened.

At 8:30 A.M. we had driven north on highway 9 and turned East on 172 N.E. and followed that curving road in for a couple of miles to a berrying spot we were familiar with. We picked berries there for two hours and as we were driving back out to highway 9 Uncle Rex spotted McElroy road, going north, and suggested we drive up that looking for a berrying spot. I drove about one mile and slowed to look on my right at an area. As I slowed I had not noticed a car in either direction and was almost stopped when I spotted a blue van right on my bumper.

I explained to the family I was holding up a car and speeded on down the road, picking up to 45 and 50 miles an hour and the van did likewise. There was nothing unusual in this other than at the time I was slowed to almost a stop nothing was coming southbound on the road, there was plenty of clearance but the van hadn't passed me. At that point this hadn't registered in my mind as a menace of any kind.

The van continued to tailgate me down the road (going North) for a mile or more. I spotted a road coming up on my right and entered it to turn out of his way so he could pass. I did not nose straight east on the road but East and then curved around to re-enter McElroy to keep going North. I swore because the van turned up the road right on my tail and said to the family. "A car just turned right in here

MARX

on my tail, wouldn't you know because I pulled off to let him pass he would be going in this road." At this point the girls looked out the window and said "what a creep". The man, about 27 with brown hair, worn longer than below his ears, a round face and with dark rimmed glasses sat there peering at us. Thinking the back of my car might still be blocking his driving East I pulled back into McElroy, going north, and he drove up that side road. I shot out of there and the girls kept saying "is he following us, mother." I said "no, you saw him go up that road."

MAIN I drove at about 50 or 55 for about four miles and we spotted a turn in that might be a likely place for berries. Being a little uneasy and knowing the road I was on was a dead end (there was an orange metal wide barred gate) I turned the car around so my nose pointed down to the main road. We were about 150 feet straight in from the road.

Uncle Rex and Patricia had gone in around the bend toward the gate, and were out of sight, looking for berries. I was just turning my back and heading the opposite direction and Joan was just stepping out of the car when we heard a car tearing down the road. It passed in a flash and it was the blue van. Joan yelled, "Mother that's him". "I said, you must be mistaken, that van that was behind me went East." "She said again - it's him". I yelled and she yelled for Rex and Patricia. Just then we heard squealing tires and could tell the van was turning around up the road. He had spotted us as he roared up the road.

Patricia came running and all three of us had our hands on a car door to get in and lock the doors and were all yelling at Uncle Rex "get here fast." At this precise moment the van crossed the road and came into the entry to our road blocking off the road and our exit. As he pulled in he could hear us screaming "Rex" and Rex popped into view heading for the car. As Rex came into the drivers vision he tore out of there heading south.

The van at all times was so that we couldn't see the license plates, other than at first when we had no reason to suspect we should look at the plates.

The young man appeared to be wearing tinted or sun glasses and though he never stepped from the van he appeared to be short.

The van was bright blue, in good condition and had the professional lettering across the side "High Meadow Ranch." It was clearly visible to me when he parked crosswise blocking our road.

I'll leave it to you what his intentions were. I have never allowed a gun in my home and don't believe in them but this experience made me wonder how in the world women alone can protect themselves when trapped in a manner like this.

We originally were going without uncle but he called at the last minute and joined us. Thank the lord for Uncle.

The terrible things that have been happening to young girls in this

-3-

area prompted me to report this incident. Even tho I dont have much for you to go on. Should I have just shunted this aside, I might be neglecting to give you some helpful information.

There isn't any doubt in my mind he thought we were three women alone and when he heard us yell for a man and Rex appeared he figured he had more than he could handle.

Sincerely,

Florence Mary Marx

Lt. Dick Kraske
Criminal Investigation Division

Dear Mr. Kraske:

As per the letter of Hal Bradley, dated August 27, 1974, we have completed a check on the records of those persons forwarded by Corrections as generally resembling the description of "Ted."

Of these only three were out of the hospital at all, and of those, it is unlikely that one was outside of custody although there does appear to be a records screw up between hospital records and Corrections records. The one where the records don't seem to jibe is an inmate of the Monroe Reformatory named [REDACTED]. Hospital records reflect that he was returned to court on March 5, 1974; Corrections records indicate his discharge from Western State Hospital on May 14, 1974. I'll personally check out that two month gap if you wish, but it does not appear to be particularly significant in connection with the dates in question.

The other two have both been out of the hospital for some period of time. They are [REDACTED], Corrections Number 528319, who appears to have been discharged from Western State Hospital on August 31, 1972. The other is [REDACTED] who has been on escape status from Western State since March 26, 1967. We were informed about a year or so ago that he had been arrested in Wendell, Idaho. I do not know what the outcome of that arrest was. He has not been returned to this state.

ADDITIONAL INFORMATION SHEET/OFFICER'S REPORT

Case No.

TO Commander--C.I.D.	VIA Chain	DATE 10-13-74	TIME
FROM Sgt. Keith W. May	SUBJECT: CONTINUATION OF <input type="checkbox"/> OFFICER'S REPORT REGARDING <input type="checkbox"/> "TED"		

ITEM:

At 0200 hrs. this day I was detailed to Des Moines P.D. to speak to a middle-aged couple re. a man their daughter was dating who resembled the "TED" that we are looking for in connection with the missing girls from our county. I contacted a HAROLD E. and JUANITA [REDACTED] (pron. Fako) living at 30413 2nd. So., Federal Way, phone VE-9-4513. Mr. Feyko works for Pacific Car in Renton and does not know his work phone.

Daughter: Susan (Sue) Mae Bailey
30 yrs. Divorced
Turf Apartments, #20
5650 Yelm Hwy. (just out of Lacey, Wash)
no phone.

According to Mr. and Mrs. Feyko, their daughter has been dating the subject for about a month. She has been in Yakima all summer and that is where she met him, in a restaurant. According to Sue, he had just entered the Army in August and was attached to a Communications Division and was down in Yakima working at the firing range. She had some pictures of him prior to his entry into the Army that he had given her but she has since destroyed them. Evidently the subject is married.

Subject: [REDACTED] 28 yrs. (looks much younger)
goes by name of TED
dob 12- [REDACTED] 45
wife-- [REDACTED] E.20th. Ave., Olympia

I had the subject run through our computers and they came up with nothing current or past. DMV was down at the time so I was unable to check on the existence of a dri. lic. However, I instructed Data to try when the system comes back up and order a copy of his driver's license if he has one and have it sent directly to C.I.D.

To continue....Mr. and Mrs. Feyko have met this subject, Ted, on several occasions and have gone away remarking on his resemblance to the posters circulated throughout the county. Evidently they didn't wish to alarm their daughter because they never mentioned it to her. They thought that she was aware of the publicity the story was getting in this area and was not worried. Anyway, Ted moved Sue to her latest address near Lacey just two days ago and is leasing the apartment for her. Then he took off with her car and a bit of her cash and went back to his wife in Olympia and Sue got mad and called the Olympia police and her parents. They in turn decided that it was time they found out if she knew of the King County "Ted" or not. She had evidently been insulated from our situation here while in Yakima because she had never heard of the situation. Then she told her parents that Ted had entered the Army in August. He has told her that since that time he has put on 30 lbs. and grown a moustache. He showed her some pictures of what he looked like before. He said he had also had surgery on (she believes) his left hand or wrist and had had it in a cast up until just before entering the Army. In fact, he says, it still bothers him somewhat. He has even told her parents of the surgery on one occasion past. Sue states also that he had a van until just before entering the service but gave it back to the place he bought it from because the engine went b.o. and he still owed

\$400.00 on it.

Mrs. Feyko states that he appears to have bleached his hair due to the dark roots showing, and the fact that the hair under his arms is very dark. He has told them he is from Raymond, Washington and loves all kinds of sports.

Learning all this from their daughter, Mr. and Mrs. Feyko talked to her extensively and Mrs. Feyko ended up sketching from memory a likeness of the "Ted" posters for her daughter. When Sue saw it she was astounded, according to Mrs. Feyko, and exclaimed that that looked just like Ted before he went into the Army in August. With this, The parents went to the local law enforcement agency and could not get any help. So they came home and went to the Des Moines P.D. There they found one of the posters of "Ted" and with the help of a Des Moines officer, sketched with a pen, how their daughter's boyfriend Ted looks now. After my interview, they were concerned for their daughter's safety enough that they turned around and went back to her apartment to stay with her. However they left three items with me that I have enclosed for your inspection.

- #1--the envelope bearing the simple sketch from memory by Mrs. Feyko of our poster "Ted" for her daughter. (Originally drawn without the moustache).
- #2--the poster "Ted" that the parents updated at Des Moines P.D.
- #3--the envelope piece bearing the subjects name, dob, and address. The height states he is 6' tall. This means that he is around xx 6' tall when he is wearing the high-heeled boots he wears. Otherwise, he is somewhat shorter.

The Feykos say Ted is very amiable. He called Mr. Feyko "Dad" the very first time he met him and shakes hands readily.

NOTE

Latest information for [redacted] from DMV is expires 12 [redacted] 74 on his dri. lic. The physical listed is 6' even, 168 lbs. grey eyes. Address listed is 1 [redacted] E. 18th, Olympia, 98501. Driver's license number [redacted] His license is under the name of [redacted]

A copy of his license picture has been ordered for Sgt. Randall, C.I.D.

Evidently they didn't wish to alarm their daughter because they never mentioned it to her. They thought that she was aware of the publicity the story was getting in this area and was not worried. Anyway, Ted moved Sue to her latest address near Lacey just two days ago and is leasing the apartment for her. Then he took off with her car and a bit of her cash and went back to his wife in Olympia and Sue got mad and called the Olympia police and her parents. They in turn decided that it was time they found out if she knew of the King County "Ted" or not. She had evidently been insulated from our situation here while in Yakima because she had never heard of the situation. Then she told her parents that Ted had entered the Army in August. He has told her that since that time he has put on 30 lbs. and grown a moustache. He showed her some pictures of what he looked like before. He said he had also had surgery on (she believes) his left hand or wrist and had had it in a cast up until just before entering the Army. In fact, he says, it still bothers him somewhat. He has even told her parents of the surgery on one occasion past. Sue states also that he had a van until just before entering the service but gave it back to the place he bought it from because the engine went b.o. and he still owed

Mrs. Feyko states that he appears to have bleached his hair due to the dark roots showing, and the fact that the hair under his arms is very dark. He has told them he is from Raymond, Washington and loves all kinds of sports.

Learning all this from their daughter, Mr. and Mrs. Feyko talked to her extensively and Mrs. Feyko ended up sketching from memory a likeness of the "Ted" posters for her daughter. When Sue saw it she was astounded, according to Mrs. Feyko, and exclaimed that that looked just like Ted before he went into the Army in August. With this, The parents went to the local law enforcement agency and could not get any help. So they came home and went to the Des Moines P.D. There they found one of the posters of "Ted" and with the help of a Des Moines officer, sketched with a pen, how their daughter's boyfriend Ted looks now. After my interview, they were concerned for their daughter's safety enough that they turned around and went back to her apartment to stay with her. However they left three items with me that I have enclosed for your inspection.

#1--the envelope bearing the simple sketch from memory by Mrs. Feyko of our poster "Ted" for her daughter. (Originally drawn without the moustache).

#2--the poster "Ted" that the parents updated at Des Moines P.D.

#3--the envelope piece bearing the subjects name, dob, and address. The height states he is 6' tall. This means that he is around ~~5~~ 6' tall when he is wearing the high-heeled boots he wears. Otherwise, he is somewhat shorter.

The Feykos say Ted is very amiable. He called Mr. Feyko "Dad" the very first time he met him and shakes hands readily.

Here, these parents seemed sane and concerned. Not at all melodramatic. They did not seem to be overreacting at all. Appeared quite normal. Hope the info helps. K.

This officer was detailed to Jackson Avenue, 2600 block, on report of a vandalism. Reporting person observed this officer's police car and came over to where I was talking to MRS. GRAY at 2610 Jackson Avenue, and informed me she would like to talk with me as soon as I was finished with the incident I was on at this time.						
This officer interviewed with MRS. ROBINSON at her home. MRS. ROBINSON informed me that she believes she had a good suspect to the murder of the girls missing in the Seattle area, University of Washington, and also the KILLION murder which occurred approximately five years ago at the old D&R Market on Mukilteo Boulevard.						
ROBINSON reports that the night prior to the shooting incident at the D&R Market, she observed [redacted] S vehicle, which is white in color						

with New Mexico license plates. She cannot give this officer the type or age of the vehicle. MRS. ROBINSON, knowing that [REDACTED] owned this vehicle, had met this individual previous to this incident at some church gathering, or whatever, and knew that he was employed at the car wash at 36th and Broadway. ROBINSON reports that she went down to the car wash where this [REDACTED] was employed and informed him that she had observed his car at the D&R Market and that she felt he was probably the one that had killed these individuals inside the store.

ROBINSON reports [REDACTED] immediately drew his pay that day and quit his job and immediately left. MRS. ROBINSON then informed this officer she then gained knowledge recently (about 3 or 4 months ago), that this individual was residing at a half-way house in the University of Washington District. MRS. ROBINSON also stated that the composites she has viewed on television within the recent past couple weeks fits [REDACTED] to a "T".

This officer, in talking with MRS. ROBINSON, feels that she felt very strong in her belief of this individual. To this officer's understanding, they were looking for a vehicle with out-of-state license plates to this homicide that occurred at the D&R Market approximately five years ago. To this officer's understanding there is also an Indian or Mexican-type ornament that was found at the scene of a homicide at the Eastmont old Mobil station that could possibly fit into this.

MRS. ROBINSON stated that this individual hates women, refuses to have anything to do with them, and she stated that he hardly even talked to her.

In this officer's opinion, this would be worth checking out, and there should be copies of this report duplicated and sent to the Seattle Police Department and the other agencies investigating these homicides and missing girls.

DESCRIPTION

5'10", 150lbs, brown collar length hair, blue green eyes, moustache, wearing checked trousers, green turtle neck shirt-sweater (long sleeved).

- 5 1974 Chevrolet Caprice, 2 door classic, black in color, DLH-[redacted], taken by victim.
- 11 Mr. [redacted] came to the station and reported that his son had left and left a note that will be attached to this report, stating that he intended to commit suicide; this is his second attempt according to the father. The first time he tried to slice his wrists, at the college which he attends, which was Western State in Bellingham, but was prevented from doing so by one of his roommates. Mr. [redacted] stated that when he found the letter, he then discovered the keys missing to the above described vehicle and stated further that according to the note, the car and his son could be found in the Lake Samamish area. Before contacting this department, thinking it might save some time, he called King County and gave them the information and they did send a car to look for the missing vehicle that [redacted] has taken but turned up nothing. This information was given to radio and will be put out locally, and if he doesn't show up or the vehicle is found, then it will be put on teletype. Mr. [redacted] was immediate notification, regardless of the time of the day or night, if anyone hears anything at all about his son. It should be noted that the note makes reference to a letter left for the father, by the victim, in his top desk drawer at school that will explain more. The father is trying to get that letter as soon as possible. It should also be noted that the father would like the attached note back as soon as this department is through with it.
- 3/24/75, 0010 hrs. Mr. [redacted] contacted Capt. Bloom and stated his son had called him and wanted to be picked up in Issaquah. Mr. and Mrs. [redacted] picked their son up in Issaquah,

and King County Police had his car under surveillance for about an hour. Mr.

brought his boy to the police station approximately 0215 hrs. After some discussion, he was sent home. He had an appointment with Dr. Aversa for next Tuesday anyway. Note was given to Mr. , and mental health commitments was explained to the boy. See no reason for any further follow up. 407 SNOCCM cancelled all the teletypes that were put out.

3-23-75 2100 PM I had talked to the suspects mother and father on the phone. His mother had stated that the boy had been very interested in the Lake Samamish area and had his mother save all of the articles in the papers about the missing women that were found in that area. She stated that she had seen one of the articles, or papers, from last Monday in his room today. She further stated that the boy had left one night and had later contacted them by letter or taperecording from the college, stating that he had gone that evening to the Lake Samamish area and had just driven around the lake by himself and that the night was very rainy but that he had felt snug and secure in the car. I wonder if he has any involvement in the missing girls or perhaps the missing girl from Terrace Jana Hanson as two ~~xxxx~~ months ago would have been close to her disappearance date. 3

3-25-75 Contacted Det. Denene, Homicide Task Force, SPD. He has requested a copy of this report and a copy of the note. Contacted Mrs. and she will obtain a copy of the note for us.

has an appt. with Dr. Aversa today at 1600 Hrs. today. All information will be mailed to SPD as they are very interested. is at home this week for spring vacation and will be returning to Western Wash. at Blhm. McCann

3-26-75 Contacted the father and he read the note over the phone. He was at work and felt that the only reference he made, in the note, to Lk Sammamish was the fact the car would be there. He was at the Holiday Inn in Issaquah and the parents went there and brought the young fellow and the car home. The father repeated what was in the tape recording, referred to in this complaint, re Lake Sammamish. I then told him that I had talk to SPD about this and that it is possible they would be calling him. He said that was fine and was most cooperative. is seeing Dr. Aversa regularly. (Dr. Aversa, phyciatrist) McCann

Note: S.P.D. -

Would suggest calling the father before you contact the son. His work number is on this report.
