"TED"

It was a "smashingly" good season for Boeing Employees Tennis Club champions and runners-up — as their racquets show in the picture above. Winners are, front row from left: Tillie Klansnic, mixed doubles, and Dannie Lim, R-5628, open doubles runner-up. Middle row from left: Winnie Lim, open doubles; Kay Brandt, mixed doubles runner-up, and Larry Zaltzeff, 6-1455, open doubles runner-up. Back row from left: Jeff Haugen, R-5200, open doubles; [redacted] open singles, and Heinz Brandt, (husband of Kay, darn it), 2-4600, mixed doubles runner-up. Not pictured is Dave Maund, mixed doubles champ. Awards will be made and 1975 officers announced at the annual banquet on November 2. More than 200 members have participated in tournaments, lesson programs, interclub play and ladder play during the year. Some 2,000 members have played on the indoor courts since they opened in the 14.01 building in January of 1973.

PRIMARY INFORMATION REPORT

TITLE: Possible Information Concerning "TED"

INDEX NARRATIVE:

At 1230 this date R/O received orders from Lt. Legge to go to the 6th Ave K-Mart and contact Mr. John Edward Veira, 4514 So 64th, Phone # 474-2244, the security manager of the K-Mart. Mr. Veira related that approximately 1000 this date a Mr. William E. Reese, 3906 Rosedale St, Gig Harbor, Wash reported to him that person(s) unknown had scratched "Stop me or I will Kill again" and signed it "TED" on the back of the north toilet stall of the Men's Room in the K-Mart shop.

R/O was shown the writing and took 5 Kodacolor II 35mm photos of it. Dusted the area of the writing for latents recovering one latent lift of doubtful value. R/O then used finger print dust and a standard lead pencil over the writing and made a tape lift of the writing. The tape lift is entered into evidence.

For further info see Ident Officer Report and Evidence Report.

HAS THIS INFORMATION BEEN GIVEN TO ANYONE ELSE? Unknown if she has told anyone

DETAILS: Mrs. Nelson called to state that while she was watching the Hydro races down at  
Green Lake on July 26, a young man approached her and asked her for a beer. The man  
was approximately 5'8", slender build, sandy - colored hair, light colored moustache,  
brown eyes, wearing a light blue tank top and tan colored cut-offs. He also had a  
cast-like bandage on his left arm. The woman states that when she was leaving Green  
Lake at approximately 2100 hours, the same man started to follow her. He chased her  
from the Aqua Theatre up the path, southbound, towards the picnic area. The woman  
was very frightened, so she asked a Greek family, who was picnicing, if she could stay  
by them a while. When Mrs. Nelson started home again, she noticed the same fellow

following her, except this time he didn't have a cast on his arm. She believes that he had been waiting for her behind a tree, and thinks the cast may still be in the area.

There is also a witness to the description. Her name is Jerrine McGlasan and she lives at 1411 North 51, Telephone # ME2 - 1742.

She was with Mrs. Nelson when they were at Green Lake.

STATEMENT OF: [REDACTED], 11 [REDACTED] 54th Ave South, Seattle, 98178 Birthdate: July [REDACTED], 1952.

I have always had problems not only getting along with females, but with people in general. I get friends, but no close ones, and if lucky, I retain a few for more than a year.

I know I'm more interested (i.e. sexually) than most males in females, because I was shocked one time when I read something (cannot remember exact details) that implied that I was in the top 1% of males who have ejaculations.

I have not gone out with a girl since the eighth grade, (despite being a 4-year letterman).

On May 17 at about 2:00, 2nd floor - Odegaard Undergraduate Library, with flashlight and mirror - I observed the underwear and nylons of one female having purposely tried to do so.

On May 22 at 11:10, I again purposely tried observing the underwear of another female - this time just using the mirror - 2nd floor - same building.

HARRY approached me as I was walking toward the beach. He was real nice. I asked what happened that day at the beach. I guess he had been there for a while. Their van (blue Volkswagen bus, I believe) was parked up on the grass and the sailboat was lying next to it. There was all men there no girls, about 2-4 besides HARRY. HARRY is short, dark skin dark hair (black) he looks Phillipine or Hawaiian or something like that. He was wearing dark blue jeans cut-offs. He asked if I came there alot, I said yes. then he said "Do you go to ALKI?" I said "yes - maybe I'll see you there sometime." That was a lie about ALKI because I've never been there before - I just wanted to get away from him - I really don't like to be "picked up" that way. So I said I had to meet my boyfriend (lie) at the beach when he asked me to - I can't remember - maybe it was to go drinking. I know it wasn't anything like "go for a ride" or "come to my place" or something.

obvious like that. Anyway I declined and left. That was 6:15. I came back from the beach real soon + ran into Lynn Teller - a friend of mine. we sat at a picnic table close to the restroom & parking lot. A man about 30 with a cast that went above his elbow and a sling walked past us once - came back & sat on the same table as us. He was quiet & had nothing to say to us. He was tall. Kind of flabby and had long brown dark hair a full beard. He had someone sitting with him later on I couldn't see who it was talking to him/her. I never saw the two missing girls. I left and walked to my car which was parked right next to a Volkswagen dark colored. Harry was there. He said hi. I wish I could remember what we talked about. He asked where my boyfriend was. "He didn't make it." He acted really interested in me & nobody else talked to me. He was standing at my door while 2 or 3 guys were tying the sailboat (a white sailboat with

I said I had to get home when he made some

remember him asking if I smoked. I said no,  
and he gave all this stuff like "why not? You don't

He didn't talk to any of the other guys  
except when one of the guys asked him a question

Occurred Downtown Seattle at 1st & Pike - bus stop.  
DETAILS: On Wednesday 7-31 at 07:50 comp observed a  
man matching "Ted" description trying to give a very  
pretty young girl a ride to Ballard. She shook her head  
and kept walking. Suspect stopped his old dark blue  
car and walked after the girl. The girl made a  
scene saying to get lost she did not want a ride.  
Suspect became very apologetic saying he thought  
he recognized her.
