U.A.A. Case #75-217
Officer Cavin
04-30-75

SURVEILLANCE:

Subject: [REDACTED]

At approximately 1500 hours today, I was invited to accompany Regional Security Officer Brooks to AMU to aid AMU administration in coping with a disturbance created by allegedly psychotic behavior of an employee.

After discussion with R.S.O. Brooks, President Picton, Administrator Latham, I began surveillance of [REDACTED], age 47, Comptroller of AMU.

At 1630 hours [REDACTED] left Grant Hall and walked directly to his room # [REDACTED] in [REDACTED] Hall, the men's dormitory.

At 1700 hours [REDACTED] and a male companion of swarthy complexion, probably part native, early 20's age, 6 ft. height, 175 weight, brown hair, brown eyes, came out of the hallway door which had been shut shortly after I entered.

We spoke briefly. I asked about the cafeteria hours and was told.

They left and walked to the cafeteria for supper. They sat in a position overlooking the walk I followed them in on, so I decided to have supper too, and sat near them playing the hard-pressed role.

As I ate, [REDACTED] approached me and asked if I lived on his quad in the Dorm. I explained I was waiting for a guy who was to give me a ride to Tok Junction.

He was curious about why we were meeting in his quad since he didn't know Billy Boyle, and so got the whole schpiel.

I left impatiently, returned to the dorm, left a note for Billy and returned to Student Union for "Coffee". He approached again and this time got my story straight in his mind.

He and his companion left the Cafeteria at approximately 1830 and entered the women's dorm. At approximately 1850 [REDACTED] emerged alone and often commiserating with me about my tardy ride, entered the Married Dorm where he remained until arrested.

At approximately 1900 Officer Orr moseyed through and took up position in the parking lot.

#75-19484

Dear Sir:

The attached University of Alaska case report #75-217 is enclosed for your use as an investigative lead into the possible disappearance of two young females from the Delta, B.C., area.

Mr. James Cavin, a recent resident of British Columbia, has advised me of a possible connection between the Seattle area murders of young women by a suspect identified as "Ted" and the disappearance of several British Columbia women. The attached case report summarizes a series of incidents involving one [REDACTED], of Seattle, who was a short term employee of Alaska Methodist University in Anchorage.

[REDACTED] was the subject of an FBI inquiry prior to his commitment at Alaska Psychiatric Institute in regards to the above mentioned Seattle cases. Correspondence inventoried among [REDACTED]'s personal property, subsequent to his eviction from Alaska Methodist University, revealed several Canadian entries that you may be interested in pursuing.

Sincerely,

Glenn P. Brooks

FACTS OF INVESTIGATION: (Reconstruct the crime, summarize details, list and describe property taken, serial nos. etc., give valuation. Describe physical and other evidence at scene, where found, and disposition of evidence.)

Subject [REDACTED] was arrested for Indecent Exposure after being observed nude on the Southcenter Mall. After processing he was transported to Harborview Hospital for Psychiatric evaluation. No citation for the offense was issued due to the arrested subjects' mental condition.

At 1413 hours, 1/25/74 this Officer and Officer Abbott observed a subject, later identified as [REDACTED] DOB 4/53 standing on the shopping mall in front of Zales Jewelry. Because he was completely nude, he was then placed under arrest for Indecent Exposure and transported to this department.

Prior to transporting the subject to this department, he was taken to his vehicle, parked approximately 100 feet north of Citizens Federal Bank. Subject [REDACTED]'s clothing was recovered from said vehicle after which he dressed himself. He stated that he had been "told by God to disrobe at Southcenter", however was unable to offer an explanation as to why, he had been so instructed.

Upon arrival at this department, the subject was processed and the appropriate Tukwila Police forms were completed.

While in custody the subject was at times despondant and also appeared to be hallucinating. He became very vocal, screamed and made a variety of sounds resembling the barking of a dog. These spontaneous outbursts were of ten or twenty minute duration punctuated with biblical quotations.

11. On 5-6-73, at approx 2250 hrs, victim [REDACTED] answered a knock at the front door of her residence. A white male at the door asked, "Does Del Williams live here?" She told him that he did not live there. The white male left residence and walked eastbound on NE 65th. The victim then went into the kitchen area of her residence. She heard three loud bangs at the south side of the house. This sounded like rocks hitting the outside wall. She looked out the south window, but did not see anyone at this time. She then heard the same sound again. When she looked out the window, she saw the suspect standing across the street on the sidewalk. The suspect was waving as if to gain her attention. She went to the phone and called her neighbor and the police. When she returned, she looked again and the suspect dropped his slacks and underpants and was exposing himself to her. He was standing in a life area at this time. He stood there for about one and a half minutes. He then ran south bound in the alley. When the officer arrived, the victim gave a description to him. The description (cont)

ITEM: Person Reporting - Smith, Dick
2336 Minor E - Apt 3
Ph - 324-3267

On the afternoon of Weds - 07-24-74 Mr. Smith was working in a door well of the apartment on the alley side (between Minor + Yale) when a young man approached him and asked if Mr. Smith knew any single girls in the neighborhood. Mr. Smith told him that he did not - and the young man left. Mr. Smith returned to his work and thought nothing more of it at the time. Later that evening Mr. Smith mentioned the incident to his wife and she stated that the young man had studied the mail boxes on the apartment next door (viewed from the Smiths' Kitchen window) for approx. 5 mins before walking over and talking to Mr. Smith.

Both Mr. + Mrs. Smith thought no more about the incident until this evening (07-26-74) when watching the news. The young man fit the description of suspect "TED", except this man's hair was more dishwater blond and no accent + no cast.

- 3-14-73 1400 Assigned case by Sgt. Golder. Cadet from Juvenile brought case back from their unit with a 3 page statement taken by Det. McLaughlin that victim had run away with suspect on 3-5-73 and related one act of intercourse at Pasco, Washington and she returned home by herself on 3-10-73. Phoned Det. McLaughlin to determine if that was the only act of intercourse and she indicated victim had stated they had sexual intercourse in Seattle about 4 or 5 times, but Det. McLaughlin did not make a statement of this as she was recording only the runaway report.
- 3-15-73 0730 Phoned Mrs. [REDACTED] and made arrangements to pick up her daughter at home to be brought to prosecutor's office for interview. Mrs. [REDACTED] elected to accompany her dgt. as she wants to know what is being done and she has been told so many different stories and the case is always getting transferred. On Tues 3-13-73 at 0045 hrs. suspect pulled a gun on her husband and she was across the street and saw the motions of him drawing a gun and holding it on her husband but was too far away to actually see the gun. See report CS 73-11232, Threats (gun). She called his parole officer, Mr. Broderhausen who stated suspect had been into see him and he referred susp. to public defender's office. Advised her that the girl was her responsibility to keep away from the suspect and we would definitely try to charge the suspect.

HAS THIS INFORMATION BEEN GIVEN TO ANYONE ELSE? No other agency

DETAILS:

Nancy Smith works in the shoe department
at Pennys on Tacoma mall. yesterday afternoon (03/10/75)
unknown time, a customer came in. White male 5'6"-5'7"
Slender build, Blondish Brown hair cut above collar, blue
eyes. He said he bought a pair of shoes at the
Pennys store in Portland, Oregon ^{2 weeks ago} and said they hurt
his feet & he wanted to return them. His money was
refunded to him. He then went on to talk about his new
wife - he said he got married a week ago. He showed them
a picture of his wife - purported to be a striking blonde.

model type, young. He had no wedding ring. At this point he tried to ask them who owned the store - the managers name + who worked there. how many - male or female etc. They did not give him any info. As he started asking these questions he became very nervous started runing his hands up + down the counter - wringing them etc. When they would not divulge any info he left in a hurry.

What prompted Mrs Smith to give this info (for what its worth) was an episode on S.W.A.T. T.V. Show. T.V. ain't all bad!
