TO	MISSING GIRLS HOMICIDE TASK FORCE	VIA	CHAIN OF COMMAND	DATE	5-9-75	TIME	2200
FROM	RES. PTLMN L. R. WARFIELD	SUBJECT: CONTINUATION OF <input type="checkbox"/> OFFICER'S REPORT REGARDING <input checked="" type="checkbox"/>		SONOMA HOMICIDES			

ITEM:

ON 4/29/75 I WAS READING A NEWS ARTICLE IN THE SAN FRANCISCO CHRONICLE WHICH REFERRED TO A SERIES OF HOMICIDES OF YOUNG FEMALES IN SONOMA COUNTY CALIF DURING 1972. IN SAID NEWS ARTICLE ONE OF THE FEMALES WAS LAST SEEN STEPPING INTO A 52-53 CHEV PICKUP WITH A HOME MADE CAMPER. I REMEMBERED SEEING A SIMILAR VEHICLE IN & AROUND THE SAMMAMISH STATE PARK DURING THE SUMMER OF 1974.

I CALLED THE SONOMA SHERIFFS OFFICE & INFORMED THE ON DUTY OFFICER OF MY OBSERVATION. LATER ON APR 30 1975 I WAS CONTACTED BY DET. SGT. ERNIE BALLINGER OF SONOMA & GAVE HIM THE FOLLOWING DESCRIPTION: 52-53 VINTAGE CHEV PICK UP WITH RED & GREY PRIMER SPOTS. HOME MADE CAMPER W/ SHAKE ROOF & TIN SMOKE STACK. WINDOW ON ONE SIDE WITH 4 PANEES OF GLASS.

DET. BALLINGER HAS REQUESTED THAT VEHICLE DRIVER BE I.D.<sup>ED</sup> IF SEEN.

Dear Kevin:

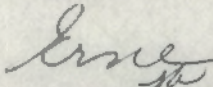

We have no local records on [REDACTED]. The only things I can find are the enclosed rap sheet and driver's information. What all this boils down to is we cannot eliminate him from our cases yet, however we cannot show him in our area.

He was apparently visiting the Monterey area about the time of Sandra Peters's death in Carmel, California (listed in the overview of female homicides put out by your group as #25, reported by Monterey County Sheriff's Office. This is also near #26, Terry Pfitzer who disappeared from Felton, California on 3-11-72 reported by Santa Cruz Sheriff's Office).

This is all interesting, but does not prove anything or even indicate anything yet. I don't think this will help you much, but if I can do any more, please let me know.

Yours very truly,

Don Striepeke, Sheriff-Coroner

## FINAL DISPOSITION REPORT

Leave Blank

**Note:** This vital report must be prepared on each individual whose arrest fingerprints have been forwarded to the FBI Identification Division without final disposition noted thereon. If no final disposition is available to arresting agency, also obtain subject's right four finger impressions on this form, complete left side and forward the form when case referred to prosecutor and/or courts. Agency on notice as to final disposition should complete this form and submit to: **Director, FBI, Washington, D. C. 20537, Attention: Identification Division.**

(See instructions on reverse side)

## INSTRUCTIONS

1. The purpose of this report is to record the initial data of an individual's arrest and thereafter secure the **final disposition** of the arrest at the earliest possible time from either the arresting agency, the prosecutor or the court having jurisdiction. (INTERIM DISPOSITION INFORMATION, e.g., RELEASED ON BOND, SHOULD NOT BE SUBMITTED.) The SUBJECT'S NAME, CONTRIBUTOR AND ARREST NUMBER should be exactly the same as they appear on the fingerprint card IN THE FILES OF THE FBI. The FBI number should be indicated, if known. Agency ultimately making final disposition will complete and mail form to: **FBI Identification Division, Washington, D. C. 20537.**
2. **The arresting agency** should fill in all arrest data on left side of form and obtain the finger impressions of the right four fingers simultaneously. This should be done at the same time as the full set of fingerprints are taken on the arrest fingerprint card. If the arrest is disposed of by the arresting agency, as where the arrestee is released without charge, then the arresting agency should fill in this final disposition and mail form to FBI Identification Division. Of course, if final disposition is known when arrest fingerprint card is submitted it should be noted thereon and this form is then unnecessary. In the event the case goes to the prosecutor, this form should be forwarded to the prosecutor with arrestee's case file.
3. **The prosecutor** should complete the form to show final disposition at the prosecution level if the matter is not being referred for court action and thereafter submit form directly to FBI Identification Division. If court action required, the prosecutor should forward form with case file to court having jurisdiction.
4. **The court** should complete this form as to final court disposition such as when arrested person is acquitted, case is dismissed, on conviction and when sentence imposed or sentence suspended and person placed on probation.
5. When arrested person convicted or enters guilty plea to lesser or different offense than that charged when originally arrested, this information should be clearly indicated.
6. If subsequent action taken to seal or expunge record, attach certified or authenticated copy of court order to this form so that FBI can return arrestee's fingerprints to original contributor.
7. It is **vitaly important** for completion of subject's record in FBI Identification Division files that **Final Disposition Report** be submitted in every instance where fingerprints previously forwarded without final disposition noted thereon.

## INSTRUCTIONS

**DISPOSITION REPORTS—WHEN REQUIRED. WAC 446-XX-060** In every case where a fingerprint record or other report of the arrest of an individual on criminal charges has been submitted to the Section, the agency which makes the final determination of such criminal charges or in whose jurisdiction the final determination is made shall report the disposition of such charges to the Section.

**REPORTS CONTENTS—GENERAL. WAC 446-XX-070** The report of disposition shall be made on forms provided by the Section. The name of the subject about which the report is made, the designated fingerprints of the subject, the name of the original contributor of the fingerprint or arrest record, and the original arrest number shall be entered on the disposition report exactly the same as they appear on the fingerprint card or arrest record previously forwarded to the Section. The Section number should be indicated on the disposition report if known.

**REPORT TIME LIMITATIONS. WAC 446-XX-080** All of the information requested on the disposition report shall be completed and the report mailed to the Washington State Identification Section, P. O. Box 2527, Olympia, Washington, 98504, within 10 days of the date that a disposition becomes effective.

**LAW ENFORCEMENT AGENCIES—REPORTING RESPONSIBILITIES. WAC 446-XX-090** (1) If the disposition of criminal charges is made by the arresting agency, as where the individual is released without charge, the arresting agency shall fill in and complete the disposition report and mail same to the Section. If the disposition is known at the time the arrest record or fingerprint card is submitted to the Section, this information should be noted thereon. In this case, it shall be unnecessary to forward a disposition report.

(2) In all cases where the arresting agency does not make the final disposition, it shall initiate the preparation of a disposition report by recording the name of the individual arrested, the designated fingerprints of the individual, the charges on which he was arrested, the name of the contributor of the arrest or fingerprint record, the arrest number and any other information that may identify the individual. At this stage the disposition of charges shall be left blank, but the agency shall note the action that it has taken, e.g., referred to the prosecutor, etc. The partially completed disposition report shall then be included as part of the individual's case file and shall be forwarded with other information concerning the charges against the individual to the prosecutor or other agency to which the arresting agency forwards the case.

**PROSECUTORIAL AGENCIES—REPORTING RESPONSIBILITIES. WAC 446-XX-100** (1) The prosecutor or city attorney shall complete the disposition report if he determines not to press charges or the case is not otherwise acted upon by a judicial body. In such cases, the prosecutor or city attorney shall mail the completed disposition report to the Section within 10 days from the date that it is determined no further judicial action will be taken on the charges.

**COURTS—REPORTING RESPONSIBILITIES. WAC 446-XX-110** Where the disposition of criminal charges occurs as a result of action taken by or within the jurisdiction of any court in the State of Washington, the disposition of such charges shall be reported to the Section pursuant to Rules of the Supreme Court of the State of Washington on forms approved by the Supreme Court and supplied by the Section.

Courts are required to forward criminal charge dispositions to the State Patrol's Identification Section pursuant to rules of the Supreme Court of Washington adopted by that court in response to RCW 43.43.745(3). Court clerks shall, by completing the appropriate section on the reverse side of this form, report the required dispositions to the Section within the time specified by court rule. If the disposition is the result of a finding of guilty, after trial, the disposition report shall be forwarded to the Section only after the time for appeal as set forth by Supreme Court rules has expired. If an appeal is taken to a court of higher jurisdiction, the court clerk shall report the appeal by completing the appropriate section on the reverse side of this form, making a copy of the form and submitting the copy to the Section. The original of the disposition report shall be forwarded to the court to which the appeal is taken for a report of that court's disposition.

When an arrested person is convicted or enters a guilty plea to a lesser or different offense than that originally charged, such information shall be clearly indicated on the reverse side of this form.

If subsequent action is taken to seal or expunge the record, the clerk shall forward a certified copy of the court's order sealing or expunging the record to the Section. For identification purposes such court order shall include the person's State Identification Number.

TO Sgt. Randall	VIA	DATE 9-20-74	TIME 0830
FROM Detective R. Hergesheimer	SUBJECT: CONTINUATION OF [ ] OFFICER'S REPORT REGARDING [X] ott/Naslund Investigation		

ITEM:

On 9-13-74, R/O began investigation of possible lead in this case reference an Orange VW seen parked near the site of the recovery of the bodies, [REDACTED] FDH/California. The vehicle is registered through California to [REDACTED], Auburn, California. Enquiry there traced him to Seattle where he is employed upon a Seattle based fishing boat. On 9-13-74, witness Snyder made a positive identification of [REDACTED] photograph as "ted", although other witnesses failed to identify the photo. Subsequent investigation by R/O dismisses [REDACTED] as a suspect via the fact that the fishing boat upon which he is employed did not return to Seattle from Alaska until 9-15-74 the day after the disappearance of the victims and the fact that a neighborhood resident living next door to [REDACTED] verified by two identification photos that [REDACTED] has had long shoulder length <sup>hair</sup> and a mustache since May of 1974. R/O also learned that [REDACTED] and his female companion [REDACTED] after picnicking near and at Lake Sammamish State Park during summer of 1974, thus explaining the presence of the VW in the Duwamish area. [REDACTED] & [REDACTED] currently reside at [REDACTED] No. 84<sup>th</sup>, Seattle. (See attached file for detailed information).

at 1500 hrs today, 9-25-74, Detective Hergesheimer of the King County Police Homicide Unit inquired concerning my orange Volkswagen, California license FDH \_\_\_\_\_, being parked on a side road off of Interstate 90 past Desquamah. I am a fisherman. This summer I've been working as a cook aboard the halibut boat Nordby fishing in Alaska. The boat returned to Seattle on Sunday July 14<sup>th</sup> 1974 in the early morning. ~~We unloaded our catch at Washington Fish and Oyster Company on the Seattle waterfront at Elliott Bay. We tied up in Shilshole at the dock. I got off the boat and \_\_\_\_\_ picked me up in front of the Windjammer about 11:00 a.m. We went home and were together until the following morning. Early Monday morning I returned to the boat, boarded it with the rest of the crew and went to Washington Fish & Oyster Co. on Elliott Bay where we sold the catch and cleaned up the boat which took all day. After we got the boat cleaned up we returned through the locks and tied up at the Shell oil docks just inside the locks.~~

reported seen was because I have been cultivating a small garden in the woods nearby. To the best of my recollection I drove up to the cite to water my plants two or three days after I returned on the boat. The cite where I parked my car is as follows: I drive east on I-90, through Issaquah and turn right onto NE Preston Way, ~~turn off at the~~ the road makes a small curve to the left a little ways from where I turn off of I-90. About 200 yards past the curve I parked my car on the left side of the road at the turnout facing back toward Issaquah. STATEMENT

Case No. \_\_\_\_\_

District Number \_\_\_\_\_

Date 9-18 19 74

Hour \_\_\_\_\_ A.M. 1255 P.M.

Type of Case Homicide

Taken by Det. Randy S. Hergeshimer

Serial No. 00019

Statement of Ruth Darby

Age 58 yrs.

Alias \_\_\_\_\_ Zip 98103 Phone 523-7037

Address 920 No. 84<sup>th</sup>, Seattle, Wash.

Date of Birth 9-10-16 at Birch Bay, Washington

Occupation & Employer House wife Bus. Phone None

Status Married to Tim Darby

Concerning the investigation that Detective Hergeshimer has questioned me about, I would like to submit the following information: About two years ago in about January 1972 a girl named [REDACTED] moved into the rental house next door at [REDACTED] No. 84<sup>th</sup>. She has lived there since with her small son [REDACTED]. In approx. May of 1974 a man moved in with her. Since then it has been my understanding from brief neighborly conversations with [REDACTED] that the man, whose name is [REDACTED], is her husband. [REDACTED] has told my husband that he works on a fishing boat in Alaska. When [REDACTED] moved in he had very long hair way down to the middle of his back. The orange Volkswagen with the California license plates belongs to [REDACTED] + [REDACTED]. Sometime during this summer [REDACTED] had his hair cut to the top of his shoulders. He has had a mustache for as long as I can remember him. I can positively say that between May of 1974 and the present he has never had hair shorter than his shoulders. I also recall that [REDACTED] talked of picnicing and visiting friends this summer at Lake Sammamish State Park near Issaquah. Mrs. Ruth Darby

On Thursday or Wednesday, July 17<sup>th</sup> or 18<sup>th</sup> 1974, I was travelling East on Interstate 90 just East of Desquam. It was approx. 1400-1600 hrs in the afternoon. As Janice Ott was a friend of our family I was out just driving around in the area and searching back roads. Just past the railroad trestle overpass I turned off to the right onto an old blacktop highway. This may be the old highway #10. I traveled I think less than a mile when I observed a bright orange Volkswagen sedan "bug" parked on the old highway. It was parked on the <sup>north</sup> side of the road, headed west. I got out and looked at it. It had black vinyl upholstery. I didn't see anyone near it. Just before where the VW was parked a small dirt road angled off to the right and east. From the position off the VW I could not see I-90 but I could hear the cars travelling on it. The shoulder of the road adjacent to the VW (north) drops away into a small ravine about 30 feet deep. Garbage has been dumped into the ravine. I obtained

to the chief,

I think I know, where  
to look for the murders  
of all those, missing girls.

At the state mental  
institution, for the criminal  
insane; for the sexual-  
insane.

I think, all of those  
girls in Seattle, and all  
over Wash., have been  
murdered. By very danger-  
ous escapees, from the  
state mental institution.

I think, they were ~~murdered~~

(2)

murdered by very dangerous sexual-offenders, who had just escaped.

I think, these dangerous escapees, would be looking for women and young girls.

Just about every week, many escapees escape from the state mental institution.

And I sure, many are ~~the~~ of these escapees, are very, very dangerous sexual-offenders.

(3)

I am sure, the state mental institution knows about these ~~m~~<sup>mu</sup>dered women, and girls.

I think, the reason the officials have kept quiet about these murders. Is because of; losing their jobs; being sued; by the parents; and being ~~sui~~ sued by the state.

I heard on news special, that all of the escapees, from the state institution have all found.

And that is the reason, the Seattle police

(4)

can not find these  
~~and~~ murders, or the  
missing women, and  
young girls.

to the chief;  
I'm going to tell  
you something, that  
is making me very sick  
to think about.

I heard one sick, sick,  
sick pig; tell another sick  
pig, "I've got two  
freezer full of human  
meat." (This happened 10  
days ago.) I heard him  
say, "A couple of days  
ago, I shot 2 two-  
legged deer."

Then he said after  
he killed, he skinned  
them, then he ~~gan~~

(2)

quarantined then. The next morning he wrapped then, in wrapping paper. Then he had them frozen, in a freezer.

Every time I think about this, I get very sick to my stomach.

I am wondering, if this ~~could~~ could happened to anyone else.

Could this happened to any dead bodies, found by any of those sick, sick, sick pigs?

(7)

I want everyone of  
stuid pigs, who  
work at the mental  
instiation, fired. For  
not warning, the  
public people. If the  
public had been warned,  
to stay in side their  
homes, until all of  
those crazy pigs been  
tround. Most of them  
would be alive, and  
sate.

I want all of  
those crazy, sick,  
pigs, from the state  
mental instiation. Sent

to a top security  
position, until the  
state mental institution  
improves their security.

This Office sent to your Department a box of female clothing that located and recovered in Pacific County. It was located off from a logging road of Weyerhaeuser Co.

The section Township and Range are in our letter sent with the clothing. This writer Undersheriff H.W. Newton Jr. and Richard Simmons of Weyco. Security and Chief H. Funkhouser of Raymond Wa. Police Department picked up the clothing.

We are sending pictures to add to your file on the missing females in and around the King County area.

Dear Sir:

Please find enclosed several pieces of female clothing. This was located on Section 27 Township 15 North Range 9 West near Eagle Creek, Pacific Co. We have pictures taken at the scene where located. The manner in which the clothing was laid out made us wonder why anyone would take the time to lay such clothing out in the manner we found it.

This area is just a few miles off highway 101 near Raymond, Washington. And is on Weyerhaeuser Co. property. Richard Simmons Jr. security for Weyco. Chief Howard Funkhouser and writer picked the clothing up. I dried same and we thought that it should be sent to you concerning your lost and deceased females in your area. There will be colored pictures that we will send to you also as soon as the prints are back.

This may have no bearing at all on your case but we hope that it will be of some value to you.

THIS IS THE STATEMENT OF [REDACTED] (ED 1 [REDACTED] 18)  
1 [REDACTED] Selkirk Ave., Kamloops, B.C. Taken this 7th day of September, A.D.  
1922, at 9:40 P.M. at Kamloops Rural Detachment.

I had a drink and only one drink and he was sitting next to me. He then told me to come over to his table and I said, "No, you can come to my table", so he came to my table and then he said, "Come to my place and I will give you a drink". On the way out he picked up a mickey and a bottle at the Liquor Store and I said, "Where do you live?" and he said, "I live on the railroad track by the Valleyview" and I went, and he had some big bottle like that too, there was a little bit in there too and he poured some for me and some for him and then we sang songs, old fashioned songs and it seemed like he was very happy and all of a sudden he told me to go to bed and he said I can make you go to bed easily and I was afraid because he started to hit me so I thought that if I let him have what he wants then he let me go. Well, he wanted every way, like backwards and this way and he was started hitting me and he told me that was not the way he wanted it and he told me to suck that and I did. I thought that if I would do it and he was still hitting me so I grabbed him by the hair and I again pulled his hair and then I thought maybe I better not cause maybe it would be better if I don't hurt him, maybe he will still let me go, so after that he told me that I'm still not going. He says I take you home when it's dark so I come to the front room and he had a gun there. He says that gun, I'm going to use it on you" so I sat and I went to get a drink of water and so I look through curtains to see how the window was, whether it was open. I thought I might jump off. He told me, "Don't you look through those windows, I'm watching you". So I went back to the front room and in the meantime he fell asleep. I was waiting if he was, so I thought I could hear him snoring. Then he had locked the door, I seen him, he locked it but it was one of those kind of locks, that thing you can open this way, not with a key, and I went very slowly and opened that lock. When I opened that lock I ran out the door and I went to that trailer and I told that old man. I don't know who live there. I told him I needed help, I needed to get out from here and I told him what happened to me so he says O.K. I said, "Can you do it as fast as you can do it cause he might come out". So he says he will, "I will take you out, I will take you to the Police Station".

Q. When you say, "He" - Who do you mean? Can you describe him?

A. Oh, I don't know his name. I believe he did tell me the name, but I don't remember the name, but I mean if I see him I will know who he is to see him. You mean the way he looks like. Well he's young - about 31 and a little narrow face and a little bit of mustache like, just, you know, a little bit of whiskers, not very

tall, actually not very big either, but he was bigger than I am, like you know.

Q. How much did you have to drink in total today?

A. One in the cocktail bar and then I believe maybe one in everything he pour a big drink for me.

Q. What were you drinking in the Leeland?

A. Rye.

Q. How much did you have to drink at his place?

A. One big - that much in a glass, big glass, about that much. He wanted the big glass to be about more than half.

Q. When you said he wanted it in every way, what exactly did he do to you?

A. Well he wanted to touch me the way he wanted it and I told him I didn't know how, so he started pounding me, so that when he told me so I could take penis and put it in there and I did because I was afraid, he was hitting me, then he told me that I was hurting him, like I mean, and I wasn't hurting him, and I thought I better love him cause I thought if I love him then this way, maybe I would be alright here, otherwise, if I wouldn't, then he would have killed me.

Q. Did he have sexual intercourse with you?

A. Well just once.

Q. He said he wanted you to suck that - what exactly did he want you to do?

A. Just suck it like for him.

Q. Do you mean his penis?

A. Yes.

1972, at 9:40 P.M. at Kamloops Rural Detachment.

I had a drink and only one drink and he was sitting next to me. He then told me to come over to his table and I said, "No, you can come to my table", so he came to my table and then he said, "Come to my place and I will give you a drink". On the way out he picked up a mickey and a bottle at the Liquor Store and I said, "Where do you live?" and he said, "I live on the railroad track by the Valleyview" and I went, and he had some big bottle like that too, there was a little bit in there too and he poured some for me and some for him and then we sang songs, old fashioned songs and it seemed like he was very happy and all of a sudden he told me to go to bed and he said I can make you go to bed easily and I was afraid because he started to hit me so I thought that if I let him have what he wants then he let me go. Well, he wanted every way, like backwards and this way and he was started hitting me and he told me that was not the way he wanted it and he told me to 'suck that' and I did. I thought that if I would do it and he was still hitting me so I grabbed him by the hair and I again pulled his hair and then I thought maybe I better not cause maybe it would be better if I don't hurt him, maybe he will still let me go, so after that he told me that I'm still not going. He says I take you home when it's dark so I come to the front room and he had a gun there. He says that gun, I'm going to use it on you" so I sat and I went to get a drink of water and so I look through curtains to see how the window was, whether it was open. I thought I might jump off. He told me, "Don't you look through those windows, I'm watching you". So I went back to the front room and in the meantime he fell asleep. I was waiting if he was, so I thought I could hear him snoring. Then he had locked the door, I seen him, he locked it but it was one of those kind of locks, that thing you can open this way, not with a key, and I went very slowly and opened that lock. When I opened that lock I ran out the door and I went to that trailer and I told that old man. I don't know who live there. I told him I needed help, I needed to get out from here and I told him what happened to me so he says O.K. I said, "Can you do it as fast as you can do it cause he might come out". So he says he will, "I will take you out, I will take you to the Police Station".

Q. When you say, "He" - Who do you mean? Can you describe him?

A. Oh, I don't know his name. I believe he did tell me the name, but I don't remember the name, but I mean if I see him I will know who he is to see him. You mean the way he looks like. Well he's young - about 31 and a little narrow face and a little bit of mustache like, just, you know, a little bit of whiskers, not very

tall, actually not very big either, but he was bigger than I am, like you know.

Q. How much did you have to drink in total today?

A. One in the cocktail bar and then I believe maybe one in everything, he pour a big drink for me.

Q. What were you drinking in the Leeland?

A. Rye.

Q. How much did you have to drink at his place?

A. One big - that much in a glass, big glass, about that much. He wanted the big glass to be about more than half.

Q. When you said he wanted it in every way, what exactly did he do to you?

A. Well he wanted to touch me the way he wanted it and I told him I didn't know how, so he started pounding me, so that when he told me so I could take penis and put it in there and I did because I was afraid, he was hitting me, then he told me that I was hurting him, like I mean, and I wasn't hurting him, and I thought I better love him cause I thought if I love him then this way, maybe I would be alright here, otherwise, if I wouldn't, then he would have killed me.

Q. Did he have sexual intercourse with you?

A. Well just once.

Q. He said he wanted you to suck that - what exactly did he want you to do?

A. Just suck it like for him.

Q. Do you mean his penis?

A. Yes.
