Seattle, Wn -

Sir:

Re: article enclosed -

I believe you underestimate your
man - I truly believe I picked
this man up outside of Wenatchee
going north - He had a short
swarthy young man with him
with a poor complexion - What
I believe to be "Ted" had a very
blond clear skin short blond
hair but not real short -
They had packs with them
and said they wanted to go
to Chelan State Park - I had
not read about "Ted" until
the following Saturday - I had
picked him up on Monday
on Rt 97.

He asked me if I would take

white

then into the park and I said
"Indeed not, I'll let you out at
the entrance."

By the grace of God I turned
my head in time to see this
young man signalling to
his friend in the front seat
that my head was coming
off. If we had passed Entiat
I'm sure I would not be
writing this but I decided
when we got to Entiat that
they would get out of the
car. When I stopped in
front of the gas station and
told them it was the end of
the journey with me - he was
so furious he could hardly
contain himself. I'm so sorry
I did not call the police and
have them questioned -

Sincerely

Lulia White - (over)

He looked just like the
composite printed in the
paper except the man I
picked up had a mouth
that 'dimpled' in the corners
which did not show on the
Composite -

TO TASK FORCE	VIA	DATE 3/11/75	TIME 1335
FROM LT. RICHARD J. KRASKE <i>R. J. Kraske</i>	SUBJECT: CONTINUATION OF ☐ OFFICER'S REPORT REGARDING ☒ O.W.L.A. - CONFERENCE INFORMATION		

ITEM:

18 June 1974 - Portland P.D. - SGT. MORGAN.

KAUFMAN, ALLISON (14) found strangled in their city. She was known to like bikers, hippies, other creeps, and she hitchhiked. She was last seen with a 26-year old man.

29 March 1974 - Clark County Sheriff's Office - SGT. BRINK.

BARRY, BARBARA ANN (18) - last seen hitchhiking on Highway #14 to Goldendale. She was found on 3/29/74. Estimated length of death was 6 weeks. Cause of death was stabbing. She was known to be promiscuous with any male 16 to 55. When found, her body was badly decomposed. Evidence search of the area was hampered due to U.S. Army from Fort Lewis was bivouacking in the same area and policing it before leaving. One soldier remembers finding a bra and throwing it in a creek. BARRY was missing a bra.

1 October 1974 - WHIGTMAN, DORIA (20) - was picked up 25 miles from east city limits of Camas after being threatened with a knife and tied up in a blue 1973 Ford Van. Suspect took her into a park with a locked gate going approximately 1/4 mile into the park. Suspect then shot her several times with a .177 dart pistol. After that, he had her put a sweater on, along with some undergarments, put a rope around her neck and led her down a path where he stabbed her 5 times, leaving her for dead. Upon leaving, he took everything with him. WHIGTMAN then crawled 1200 yards during a two-hour period to a road where she was found.
