Narrative:

TikTok Multi Warrant

Case # 23-M09903  
Date: 2/22/2023

On December 13, 2023, I applied for and was granted a warrant for the user subscriber information and user data associated with TikTok accounts of Maddie Mogen, Kaylee Goncalves and Xana Kernodle with the any of the following identifiers:

[REDACTED]@gmail.com

[REDACTED]@yahoo.com

[REDACTED]@gmail.com

[REDACTED]@gmail.com

On December 13, 2022, at approximately 1641 hours, the warrant was served via the TikTok Law Enforcement Portal (<https://law-enforcement-tiktok-uscan.zendesk.com/>). I received an email shortly after the submission, confirming the receipt of the request and assigning the internal reference # [REDACTED]

On January 19, 2023, I received an email from TikTok stating the data requested pursuant to the warrant was available to download. On December 20, 2023, I logged into the Law Enforcement Portal and began downloading the files to the forensic computers located in the secure forensic computer lab at the Moscow Police Department.

After briefly reviewing the contents, I found data associated with accounts for Maddie Mogen, Kaylee Goncalves, and Xana Kernodle.

A warrant return receipt and affidavit were completed and these documents were sent to the Latah County Prosecutor's Office to be returned to the court. A copy of the receipt was sent to [REDACTED]@law-enforcement-tiktok-uscan.zendesk.com, as this was the originating email address associated with the documents.
