Narrative:

Snapchat Extended Warrant

Case # 23-M09903
Date: 4/13/2023

On March 30, 2023, I applied for a warrant for user data from June 23, 2022, to August 1, 2022 associated with the Snapchat accounts with the any of the following identifiers:

Xana Kernodle with identifier "[REDACTED]"
Kaylee Goncalves with identifier "[REDACTED]"
Ethan Chapin with identifier "[REDACTED]"
D [REDACTED] M [REDACTED] with identifier "[REDACTED]"
B [REDACTED] F [REDACTED] with identifier "[REDACTED]"
Madison Mogen with identifier "[REDACTED]"

A previous warrant to Snapchat requested the date range "August 1, 2022, to November 20, 2022." Based on information obtained from Washington State University, Bryan Kohberger moved to the Pullman, Washington on or about June 23, 2022. I requested both historical records and real time/provisional records in order to determine if Kohberger had any interactions with the victims leading up to the November 13, 2022 crime.

On March 30, 2023, the warrant was granted and signed by Magistrate Megan Marshal with fourteen (14) days to serve the legal process. On April 3, 2023, at approximately 1036 hours, the warrant was served via the Snapchat Law Enforcement Portal (<https://less.snapchat.com/>). I received an email shortly after the submission, confirming the receipt of the request and assigning the internal reference # [REDACTED]

On April 13, 2023, I received an email from Snapchat stating the data requested pursuant to the warrant was available to download. I logged into the Law Enforcement Portal and began downloading the files to the forensic computers located in the secure forensic computer lab at the Moscow Police Department.

A warrant return receipt and affidavit were completed and these documents were sent to the Latah County Prosecutor's Office to be returned to the court. A copy of the receipt was sent to [REDACTED]@snapchat.com, as this was the

originating email address associated with the documents.
