Narrative:

Google Linked Accounts Warrant

Case # 22-M09903
Date: 5/23/2023

On February 23, 2023, I applied for a warrant for any Gmail accounts linked to Bryan Kohberger by recovery email, cookie, Android ID, Creation IP or phone number associated with any of the following identifiers:

[REDACTED]

On February 24, 2023, the warrant was granted and signed by Magistrate Megan Marshal with 14 days to serve the legal process. On February 25, 2023, at approximately 1635 hours, the warrant was served via the Google Law Enforcement Portal (<https://lers.google.com>). I received an email shortly after the submission, confirming the receipt of the request and assigning the internal reference # [REDACTED]

On February 27, 2023, I received an email from Google stating the data requested pursuant to the warrant was available to download. I was unavailable to download the data, and requested assistance from Cpl Brett Payne. Cpl Payne logged into the Law Enforcement Portal and began downloading the files and they were retained at the Moscow Police Department.

A warrant return receipt and affidavit were completed by Cpl Payne and these documents were sent to the Latah County Prosecutor's Office to be returned to the court.
