Narrative:

Instagram Extended Warrant

Case # 23-M09903
Date: 9/11/2023

On July 24, 2023, I applied for a warrant for user data from June 23, 2022, to November 21, 2022 associated with the Instagram accounts with the any of the following identifiers:

Xana Kernodle with identifier "[REDACTED]";
Madison Mogen with identifier "[REDACTED]";
Kaylee Goncalves with identifier "[REDACTED]";

A previous warrant to Facebook requested the date range "August 1, 2022, to November 20, 2022." Based on information obtained from Washington State University, Bryan Kohberger moved to the Pullman, Washington on or about June 23, 2022. I requested both historical records and real time/provisional records in order to determine if Kohberger had any interactions with the victims leading up to the November 13, 2022 crime.

On July 24, 2023, the warrant was granted and signed by Magistrate Megan Marshal with fourteen (14) days to serve the legal process. On July 25, 2023, at approximately 1020 hours, the warrant was served via the Facebook Law Enforcement Portal (<https://www.facebook.com/records/>). I received an email shortly after the submission, confirming the receipt of the request and assigning the internal reference # [REDACTED]

On September 6, 2023, I received an email from Instagram stating the data requested pursuant to the warrant was available to download. On September 11, 2023, I logged into the Law Enforcement Portal and began downloading the files to the forensic computers located in the secure forensic computer lab at the Moscow Police Department.

A warrant return receipt and affidavit were completed and these documents were sent to the Latah County Prosecutor's Office to be returned to the court. A copy of the receipt was sent to [REDACTED]@records.facebook.com, as this was the originating email address associated with the documents.
