Department of Labor Warrant

Case# 22-M09903  
Date: 12/5/2022

On December 4, 2022, I found I had received an email forwarded to me from K [REDACTED] W [REDACTED] of the Idaho Department of Labor. The email was from Michael Douglass of the Federal Bureau of Investigation. SA Douglass assisted in the service of the warrant to the Department of Labor.

The email contained a single file with the data requested pursuant to the warrant served on the IDoL. The file was downloaded and saved onto a computer located in the secure computer forensic lab located at the Moscow Police Department.

In examining the file, it showed the requested parties name, DOB and SSN with a corresponding screen shot of their reported income.

I completed the warrant return receipt and affidavit. These documents were sent to the Latah County Prosecutor's Office to be returned to the court. I also emailed a copy of the receipt to W [REDACTED] ([REDACTED]@labor.idaho.gov), as this was the originating email address associated with the documents.
