MELISSA SMITH CASES)

(page 2)

At 10:50 a.m., the subject entered his vehicle with another person, who was a male, then traveled East on 11th, making a right hand turn at approximately K Street. In this area, he again evaded Officers until they picked him up traveling along South Temple going East to the University of Utah.

At this time, he evaded the Officers in the area of the Law School. The vehicle was again picked up at the address on 11th East and J Street about fifteen minutes later.

Officer Beal stated that he observed the vehicle pull into the driveway at approximately 11:15 a.m. The surveillance team then checked the area and found the subject's car not to be in the driveway. A search of the Avenues again took place.

After five minutes of searching the area with the four surveillance vehicles, Reporting Officer traveled north to Bountiful to obtain services for his vehicle and to set up the surveillance on I-15 Northbound to Sweetwater.

It is the opinion of the Officers on Surveillance that Mr. Bundy has been associating with individuals through the morning and making preparation with these individuals to go on a trip to Sweetwater Resort.

As of 12 noon the Bundy vehicle has not yet been observed on I-15 Northbound.

The license number, ADF 809 is registered to a 1970 Dodge, registered to an Elliot A. Fairbanks, [REDACTED] This was the license number given belonging to the black over blue vehicle in which Mr. Bundy had been riding in earlier.

As of 1:00 p.m., this date, there has been no further contact with Mr. Bundy or his vehicle. As of 2:00 p.m., there has been no contact with Mr. Bundy nor has his vehicle been observed from Centerville area on I-15, nor has there been contact made with the Bundy vehicle in SLC by the surveillance team.

Reporting Officer concluded his surveillance at the Centerville area at approximately 2:30 p.m., with negative contact. It is believed that Mr. Bundy left directly from his apartment at 11th East and J Street and preceded this Officer through the Bountiful area on his way to Sweetwater.

THIS CASE IS ACTIVE.
