Type of Crime or Complaint ATTEMPT TO LOCATE	Day of Week FRIDAY	Date of this Report OCT. 24, 1975	Case No. 9340-74
<p>COMPLAINANT: DEAN KENT</p> <p>VICTIM: DEBRA KENT</p> <p>Reporting officer was informed that a Mrs. Julia Felix contacted this department stating that she had found a prescription bottle which had been filled at the American Pharmacy at 164 East 5900 South in Murray in her daughter's room with the name Debbie Kent on it.</p> <p>Reporting officer went to Mrs. Felix's home and spoke with her. She stated her daughter who is 19 had left home and that she had not cleaned her room until yesterday and she found the above listed bottle in her room. She stated she recognized the name of Debbie Kent as the name of a girl missing from Bountiful.</p> <p>At this time Mrs. Felix could not give further information.</p> <p>Reporting officer then went to the American Pharmacy and spoke with the pharmacist who would not give reporting officer any information other than to say that Dr. Brown was the doctor located at 575 East 4500 South and that he should have a complete file on her.</p> <p>Reporting officer then went to Dr. Roger A. Brown's office and made contact with Dr. Brown and advised him of the situation. At this time Dr. Brown supplied this officer with an account of information form which had been filled out at his office listing Debra A. Kent of [REDACTED]. In checking the information on this it was learned that Debra A. Kent whose mother is Ella Jean Suggs is the same Debra Kent which reporting officer checked out approximately 8 months ago and at that time had learned that this was a Debra A. Kent who had recently moved in at that time from the Florida area. She fits the basic physical description, however, she has red hair. This is not the Debra Kent this department is actively looking for.</p>
