COMPLAINANT: DEAN KENT

VICTIM: DEBRA KENT

POSSIBLE SUSPECT: THEODORE ROBERT BUNDY

  

Reporting officer attended a formal line-up at approximately 10:30 AM hours on Thursday, October 2, 1975. At this line-up was two witnesses from the Viewmont High School incident, Raylene Shepard and Tami Tingey along with Carol DeRonch, the victim of the Fashion Place Mall abduction or kidnapping on November 8, 1974.

Present were eight individuals in the line-up. After the line-up was completed all three witnesses wrote their choice on a card and handed it to Dave Yoken of Salt Lake County Attorney's Office. Upon checking the cards it was found that all three witnesses picked party #7 which was in fact one Theodore Robert Bundy.

Shortly thereafter a complaint and a warrant was signed by Sgt. Paul Forbes of the Murray City Police Department against Mr. Bundy for the charges of aggravated kidnapping and attempted criminal homicide. Mr. Bundy was placed under arrest and booked into the Salt Lake County jail under a \$100,000 Bond.

At that time Mr. Bundy as well as his Attorney refused to speak with officers in regards to any cases involving any of the girls.

Sgt. Forbes then returned to the County Attorney's Office and obtained a Search Warrant for Mr. Bundy's apartment which was served by Sgt. Forbes and Detective Jerry Thompson of the Salt Lake County Sheriff's Office. Reporting officer spoke with Deputy Thompson who indicated that they did not locate any evidence in the apartment. He also mentioned that several of the items which were in his apartment a few weeks ago when he went through the apartment with Mr. Bundy on a consent search were not there at this time. Some of these items were several pairs of patent leather shoes and several sports jackets.

Also Detective Thompson indicated that he was at that time preparing to seize Mr. Bundy's vehicle which had since been sold to another party in pursuant to a Seizure warrant and that this vehicle would be locked up and stored to subsequent preparation to processing.

Detective Thompson also indicated that he had received several calls from friends and acquaintances of Mr. Bundy and was at the present time setting up appointments for interviews as soon as possible. Reporting officer will recontact Detective Thompson and assist in any way possible.
