Type of Crime or Complaint ATTEMPT TO LOCATE	Dean Kent	Day of Week MONDAY	Date of this Report DEC. 2, 1974	Case No. 9340-74
---	-----------	-----------------------	-------------------------------------	---------------------

This officer made contact with Deputies Earl JULIAN and Grant PETERSEN of the Salt Lake County Sheriff's Office. I accompanied them to the Park City area in an effort to search several of the abandoned mine shafts in the immediate area adjacent to the Eileen BLACK residence. This address is on Woodside Drive however the house number is not available to me.

I accompanied Joe MARTINEZ, an officer of the Park City Police Department and we checked the surrounding area for vehicles that are driven by Jeffery WELLS, who has been staying with Ronald AUTH. I have been informed by the Park City authorities that Mr. WELLS has about a 1966-68 yellow beat up VW. This VW does have rust spots on it. It has been in the area but they have not seen it recently.

According to Officer Martinez this vehicle was left down in the Provo area for approximately one week, somewhere around the 1st of November. A copy of Mr. AUTH'S work schedule was obtained and brought back to this department.

One of the vehicles being driven by Mr. Ron AUTH is a 1964 Falcon, JBB 239. He is also driving a wagoner, white in color, with a temporary sticker of J14130.

The search on this date proved negative to anything conclusive in the way of clothing or other items of evidence.

It was noted that as the searchers were coming down from the area of the mine shafts and the vicinity of the Ron AUTH residence, that Eileen BLACK and Ron AUTH were just returning to the home. They did observe them and eyeballed them quite heavily.

This officer was able to obtain the identity of the girl that is living with Eileen BLACK. He name is Chris HALL. She is supposed to be a blonde girl, between 22 and 23 years of age. No other information available on this individual.
