

# SUPPLEMENTARY REPORT

Bountiful Police Department

of Crime or Complaint ATTEMPT TO LOCATE	Day of Week FRIDAY	Date of this Report NOV. 15, 1974	Case No. 9340-74
--	-----------------------	--------------------------------------	---------------------

COMPLAINANT: DEAN KENT

Reporting Officer received a phone call from a witness in this case, Raylene Shepard. Mrs. Shepard was calling from her home at [REDACTED]

She stated that at approximately 1:15 PM this date she was in the office at Viewmont High School and found a note in her box to call a phone number in Salt Lake City. The number that Mrs. Shepard called as near as she can remember is 364-59\_\_\_. The last two numbers are unknown. When Mrs. Shepard called this number a male voice answered the phone by saying hello and Mrs. Shepard at that time stated this is Viewmont High School calling, however, she gave no name other than Viewmont High School.

She then states that the individual answering the phone stated Mrs. Shepard, tonight is your night, you're next, and at that time hung up the phone.

This Officer was assisted by Officer Jim Garner interviewing Mrs. Shepard in regards to this incident. After talking with Mrs. Shepard, Officer Garner and Reporting Officer and Mr. & Mrs. Shepard went to Viewmont High School and attempted to locate the original note the number was written on. We searched through the garbage area from the office where the note was located but were unable to locate the note. It is a possibility that the blank side of the note could have been used for another message and passed on to another party.

Phone Security has been contacted and the working numbers in the area of 5900 through 5999 on the 364 exchange are being listed and will be made available to Bountiful Police Department some time this evening.

It should also be noted that the school received another phone call this date from an unknown male requesting to talk to Mrs. Shepard and only Mrs. Shepard. The party receiving the call is unknown at this time, however, she would not allow the caller to speak with Mrs. Shepard and the caller hung up.

No further information is available at this time.
