(This information is recorded per request of Officer Arthur Stones)

Reserve Officers Morris and Mead, at approximately 9:55 PM, this date, took a flyer of the missing girl in this case and also a picture of the suspect, to the business entitled, Sugar Tree, 2469 South Main Street.

The owner, Mr. Warren K. PHISTER and a young girl who is employed there, advised us that some of her friends at Woods Cross High School had seen the suspect.

He reportedly is involved in the trafficking of drugs and meets kids at the rear of the school in a shack.

When we asked this girl if she would talk to a detective, she refrained from giving any other data and said she would discuss it with her friends and get in touch.

Mr. Phister knew the Kent girl and is anxious to help. Perhaps he could be approached if the lead is significant for further information from his assistant in the store.
