DEBRA KENT -----

At 1500 hours this date 12-4-74, Mr. Keith Paskett of [REDACTED] telephone number [REDACTED] came into the station to report that a friend of his, Mr. Grant Wood of [REDACTED] in Midvale Utah is a cab driver. Mr. Wood had stated to Mr. Paskett that on the 9th day of November the day after Debbie Kent's disappearance, he received a call between 9:30 and 10:00 a.m.

He was dispatched to the house at [REDACTED] Mr. Wood stated that when he came upon the porch at the front of the house, he could hear what sounded like a subject striking a woman. He could hear the woman saying "please don't hit me Mr., don't hit me", and could hear her screaming and sobbing and could hear the male subject swearing at her, using obscene language and calling her names. Mr. Wood heard this for about five minutes, knocked on the front door, and when he did so the beating apparently stopped. All he could hear then was the woman sobbing. Mr. Wood returned to his cab when no one answered the door and informed his dispatcher about it. They felt it was probably a domestic problem between a man and his wife. They could see no need to report it.

Mr. Wood went back by the house on the 12th or 13th of November, and found that it was at that time empty. He has since gone by the house again and it is now occupied he states to Mr. Paskett.

He informed Mr. Paskett of this several days ago and Mr. Paskett urged him to secure the address of the residence and the time he was there.

Mr. Wood did this, and gave the address to Mr. Paskett and Mr. Paskett in turn gave the address to this officer. The address is in the report above.

It seems likely to the reporting officer that the landlord would have the information regarding who was renting the house on the above date, November 9, 1974.

Mr. Grant Wood has given his working schedule as follows: He is at home after 5:30 p.m. until 10:30 p.m. His telephone number is [REDACTED] He works at the Post Office between 10:30 p.m. and 7:00 a.m. Telephone number is [REDACTED] Mr. Wood works at the cab company between 0700 hours and 1600 hours. Telephone number there is [REDACTED] and he requests that anyone calling at any of these numbers, ask for him.

The above address of [REDACTED] is in Salt Lake City, Utah.
