

THURSTON COUNTY SHERIFF'S OFFICE  
SUPPLEMENTARY REPORT

Deputy Cpt. Mark Curtis

CASE NO.: 73-17592-12

DATE: 6/15/98

INVESTIGATION: Murder / **101C**

1 Yesterday, 6/14/98, I returned a call to **101C** sister;

2 GONZALES, Charlene DOB - 6/16/70

3 2002 172nd Pl. SE, Bothell, Wa. 98012 #425-485-6864

4 Family:

5 DEVINE, William L. (father) 17102 Ambaum Blvd. SE, Seattle, Wa. 98198

6 #206-248-1387

7 DEVINE, Sally Anne - 317 No. 84th, Seattle, Wa. 98103 #206-783-6577

8 (mother)

9 WYSONG, Sherrie Lynn - 7/2/57, (sister)

10  
11 Gonzales wanted any details we could give re: the murder  
12 of her sister, for closure for the family. She has been  
13 gathering info. for years. The family thought Ted Bundy was the  
14 guilty party. I explained that I could not eliminate Bundy, but  
15 said his mo. was different than the facts known on **101C**. Bundy  
16 denied it, but confirmed another murder.

17 I shared that we considered various persons of interest in  
18 1973-74, but came up with 3 other people to look at. One person  
19 is quite suspicious to us for a number of reasons. He was not  
20 identified to GONZALES. She was assured he is in prison  
21 and for a long time and we could not eliminate him. We did  
22 interview him & hoped for technology in the future to help us  
23 on the case.

24 We could not give Gonzales closure, now. But, she is now  
25 aware we have not dropped the case, & anyone I would give the  
case to someone if I retired.

RE: 101C  
Homicide of 1973

23 January 1989

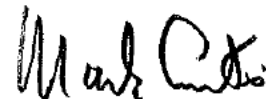

Her father is William Laurence DEVINE - 9/14/35  
455 S. 156th #239, Seattle, WA  
home - #248-1387  
work - #284-1721 (AAA Fire & Safety)

friend - Seattle Det. Duane Holman

Sister - Sherrie Lynn DEVINE - 7/2/57 #461-8261 WY/DOFG

Mother - Sallyann DEVINE  
743 N. 92nd, Seattle, WA #783-6577 (home)  
#345-3037 (work)

I spoke to both parents today and assured them we would keep them informed, but that Bob KEPPEL had not yet returned our call; further, that I was neither sure nor unsure of BUNDY being a suspect or person of interest, and could not be able to speak until we heard from KEPPEL. I also indicated that unless a specific and detailed, accurate confession occurred, that we would have to keep working. I also admitted we were still interested in another subject and hoped DNA may eventually settle the situation.

THINKING OF YOU...

Mom,

I really  
do love you. The only  
reason I'm leaving  
is because I can't  
stay around here any-  
more. There's so much  
pressure on me right  
now that I just  
want to run away.  
I'll call you when  
I get to where I'm  
going. I know where

**78-17592-12**

Monday, January 1, 1973.

Well my New Years hasn't started off to well. The guy I love doesn't love me anymore. I love him so much. We went around together for 4 mo. and now he decides he likes my girlfriend. We went to Grandma and Grandpa Daytons for turkey dinner. Me and **101B** tried on all my grandma's old clothes. They really looked funny.

Tuesday, January 2, 1973.

We went back to school today. I still wish Christmas vacation would last longer. Although we did have 17 days off this year. It went so fast thow. I still haven't gotten over losing **101B** I don't think I ever will. He's a great loss.

I babysat after school today and no 15 minutes after I got home, I had to leave for my regular babysitting job (every night, G-12). Well that's all for today.

Wednesday, January 3, 1973.

This is the happiest day in my whole life. **101B** said that he wanted to get back together with me. But he already asked **101B** to go to Truth or Cons. So we're going to tell her after it. I'm so happy I could cry. He said that **101B** doesn't show how much she likes him and I do! He also said that every time he'd kiss her she'd french him! (Gross!)

I just got back from babysitting. I'm making 60 dollars a month.

Thursday, January 4, 1974.

**101B** sure was fucked up tonight. He had 3 pipe loads of hash! He's going to kill himself one of these days. He was trying to get my body shirt unbottened, but I stopped him cos' I knew once he got me going I'd never stop and I had to get back to my babysitting job. (Damn it!)

It's snowing. I couldn't believe it! It's so thick on the ground and it's

I just now noticed it.

73-17592-12

I'm getting paid tomorrow (\$15.00) me and **101B** are shopping for clothes tomorrow.

Saturday, January 6, 1974

Wow! Laura is a bitch. (**101B** Mom) just cos' **101B** got caught for smoking she can't play around with me anymore and I called her up and asked her to spend the night with me and I heard her mom say "you're never going to spend the night with her again."

Me and **101B** were laying on the bed and **101B** walked in (Busted!) I was so embarrassed to look at her.

Sunday, January 7, 1973

I think someone's been reading my diary! and when I found out who, I'll kill em! I just got back from babysitting. By the way, I lost my other job! She's not working at night so I can't babysit anymore. Today was a boring day. I stayed in the house all day except for when I was babysitting. Well School tomorrow and I really don't feel like going!

Monday, January 8, 1973

Well, I've been writing in my diary for 1 week and I've only missed one day so far. That's pretty good. Huh? Not much happened today. (As usual!) I wish it was the 17th so me and **101B** could tell **101B** about us getting back together. I'm so glad it happened. There's still snow on the ground from Thursday. I'm going to be a newspaper reporter for the school newspaper. I can hardly wait to write my first column.

January 9 - 10 - blank

Thursday, January 11, 1973

This is the happiest day in my life! (Next to Jan. 3rd) **101B** asked me to go with him. I don't believe it! I think I'm dreaming. (I hope I'm not!)

He gave me his lighter cos' he didn't have a ring or anything. But I like the lighter better cos it's different! Not every girl get a lighter when she gets asked to go steady! To me, it's makes our relationship special. That may sound corny, but thats how I feel... I really truely love him.  
January 12 -13 blank

Sunday, January 14 1973

I haven't been keeping my diary up too good. I'm going have to remember to write in it every night. I didn't do much today except sit on my ass all day! So I'll write about yesterday. Me, 101B (sigh) went to Paladium last night and had dinner, played two games of pool and two games of bowling then went back to 101B and got it on in the bedroom. I really found out how much I love 101B last night. He's so gentle and serious about sex and all. He really shows his love toward me.

Monday, January 15 1973

101B told me he loved me tonight. He's said it to me before but for some reason it mean all lot more to me tonight than it ever has before. I love him so much I've told him before but I don't think he really knows how much. I went rollor skating with 101B It only cost 25¢ to get in. Me, 101B and 101B went downtown this morning. We were gone from 11:00 till 4:00.

Tuesday, January 16, 1973

Me and 101B went to Truth or Cons. It was really dumb but we had fun. I can't write much cos' me and 101B have school tomarrow. Well, 101B doesn't but I do. She's spending the night and she's going to 101B with me.

Mom talked to me and **101B** about Mom & dad's divorce tonight (They've been separated a year and a half) I wanted to cry but I didn't want mom to know how much it hurt me.

January 18, 19, 20, 21, 22, blank

Tuesday, January 23, 1973

The reason I haven't been writing in my diary is cos' I've been really sick. I have an urge to talk about **101B** I love him so much. It's funny how everyone tells me I don't know what real love is, but I do. really I do. I know I love **101B** cos' I have this feeling towards him like I've never ever had towards anyone else. I love him like no one would ever no. If this isn't love I wonder what it is. I love him. I really do. God I love him.

Wednesday, January 24, 1973

Mom's going to let me go back to school for the rest of the week. She's only letting me go for ½ day though cos' I'm still pretty weak and my back is still hurting a little. It sure is windy out tonight. I was walking back from babysitting and it nearly blew me off my feet!

The stupid cat is sticking her paw in the whole in the window. Almost scared the shit out of me. I really miss my dad. I wish so hard he'd come back. I love him so much.

Thursday, January 25, 1973

We had installation practice tonight (boring) I was voted Treasurer so tomorrow night I'm getting installed.

73-17592-12

Saturday, February 3 1973

Me, 101B and 101B went downtown today and we met this black guy and he stated talking to us. He said he was 40 something and that he was going to die because of an operation. He kept saying he was so glad he met us and that he would never ever forget us. He took us to his apt. and on the way he stopped off at the store and bought us some beer then he stopped at some house and got a lid. We talked an hour or two then he got us a taxi back to town. I really love the man. He made us his blood sisters and blood brother.

February 4, 5, 6,7,8,9,10,11, 12, 13, 14.

Thursday, February 15, 1973

I just know 101B doesn't love me anymore. He never tells me he loves me anymore, he hardly kisses me, he don't sit by me or put his arm around. I can tell he likes 101B again because of the way he acts around her and I know she can tell to cos' she's fighting hard to get him away from me again and I'm so scared she'll get him and he'll brake up with me. I love him so much. Why does 101B insist on taking every one's boy friends. She's done it lots of other times. I hate her! I pray 101B still loves me.

Sunday, February 25, 1973

I knew it! I just knew it. Like I said Feb. 15th, **101B** doesn't act like he loves me anymore" well I was right. Well he still loves me but he said it isn't working out between me and him and he broke up with me! I love him so much. I wish he didn't brake up with me. I don't even want to live. God, I love him. I just can't stand it. We went together for 6 weeks, 1 day. Me and **101B** went down and saw **101B** today. I got her a book called the house of a friend. It has some beautiful poems in it.

Monday February 26, 1973

Last night **101B** told me he might get back together with me. He said he really loves me a lot and the only reason he went for **101B** is because of her body. I don't know if I should believe him cos last time he came back to me was just to make me happy.

Tuesday February 27, 1973

**101B** came over tonight and me him **101B** and **101B** made a recording like the convention "72". it was really funny.

Wednesday February 28, 1973

**101B** came over tonight again and nothing much happened except that I had to go babysitting at **101B** till 1:00 am and Pepper had 4 puppies, 3 girls and 1 boy. Their so cute.

Thursday, March 1, 1973

I babysat at **101B** house till 10:30. Her mom went to Northgate and got

It looks so pretty. I'm praying **101B** will come back to me. I pray every night. I'm really beginning to hate **101B**. In fact I know I hate her.

Tuesday, March 13, 1973

I hate her, I hate her, I HATE HER **101B**. The more I think about it the more I hate her. The way she acts so innocent about the whole thing. She's really proud about what she did. and it makes me sick. So does she. Why? Why does she do things like that. I would never have done that to her. But now I'm going to get **101B** back no matter what I have to do. Two can play at this game. I love him so much. I've never really loved anyone but **101B** before.

Wednesday, March 14, 1973

I'm so scared. Me and **101B** had a fight about **101B** and I just took more than half of my bottle of pills. I just wish I was dead. I know he loves **101B** and not me. I love him so much. If I can't have him then I'd sooner be dead. I hate **101B** so much. I hate her, I hate her, I hate her, I hate her, look what she done to me. She made me just want to die. I love him so damn much. **101B** and her fucken body. That's all boys want from her. Her fucken body.

Thursday, March 15, 1974

Nothing happened to me after taking all those pills.

FRIDAY, March 16, 1973

We went skiing tonight and I'm so mad. **101B** really got it on with **101B**

or 101B I think hes just sparing my fellings. I wish he'd tell me the truth. I didn't see him all day today. I just pray he loves me cos I love him so much.

Monday, March 19, 1973

I just know 101B Hates me. And 101B too, for that matter! 101B  
101B and some girl went into the fort today and I went out to get a cig. from 101B and I knocked on the door and they asked who it was and I said it was me and they said I couldn't come in and they told me to leave! It really hurt me. I don't want to live anymore! Why couldn't I be so madly in love with someone that could love me back.  
FUCK!

Tuesday, March 20, 1973

I'm going to kill myself if its the last thing I ever do. This is the worst day in my whole life. I really want to die. 101B started arguing with me today and he told me he was sick of me. I asked him why we just can't be friends anymore and he said "ask yourself that question" I'm not sure what he meant by that. All I know is he hates me. I love him so much. God I love him. Dear Diary,

I'm starting you because I feel I need someone to express my feelings to and to tell my problems to. I know you aren't a person or anything but I can write, what I don't want anyone else to know, to you.

School was really fucked today. I skipped 2nd, 3rd and 4th. I really got to stop skipping diary. I need my schooling. Bad. But I just can't get myself to go. It's so boring.

Me, **101B** and **101B** got so high today. It was a different kind of high today. It was a different kind of high I've ever experienced. I could never explane it to you.

Diary. I just don't know what to do. I love **101B** a whole lot but when I'm with **101B** I think I love **101B**. I know it sounds weird but its true. Besides I'm pretty sure **101B** thinking on breaking up with me. I don't want him to diary. I love him.

Page 2

forget **101B** I love **101B** I'm so mixed up diary. I need some help bad. Like take my mother, shes doesn't even trust me anymore. Whenever I go someplace, like if I go to a friends house, their mother has to call up and say when I got there and when I left. Or if I go play pool or to a movie my mom calls up and has me paged and it's all because I can't stay out of trouble. Like just the other day I sat in a cell at the pig station waiting for my dad to come bail me out because I was smart

Well, I guess I should get some sleep. School tomorrow (Yuk!)

Bye.

Hi Diary,

I'm so happy. **101B** told me he loved me. Maybe he isn't going to break up with me after all. Oh I hope not diary. I hope not. cos I do love him. Really I do.

I did a horrible thing today diary. I skipped 6th Period. I just have to stop skipping my classes. And I'm going to. I hereby promise not to skip one more class this whole year. Weather I carry through on that promise I'll never know but I am going to try my hardest diary. And I also promise that I'm not going to go to another party, get drunk, or smoke weed or drop anything anymore. It messes up my school work when I can't hardly concentrate on what I'm supposed to be doing because I'm dieing for a couple hits of speed or some mesc or something. Besides, I have to get

Page 4

my mothers trust back if I want to go out at all.

**101B** wrote me a poam once and I want to share it with you diary. You want to here it? Here it is.

For You

I need you to hold my hand,

I have your luck right with me,  
It would even follow me out to sea.  
So when we get old and feeling blue,  
Just call on me and I'll call on you.

Isn't that beautiful diary? I love it. It really means a lot to me.  
So does **101B** I really love him. I don't know what made me think

Page 5

I loved **101B** That was so stupid of me. I have no feelings for **101B**  
at all. I don't know what got into me when I said that to you last night.  
**101B** is just a real good friend and thats it. Thats all he'll ever be  
to me.

Guess I should turn out the lights and get some sleep friend. So  
I'll write to ya again tomorrow. Bye.

Sept. 27, 1973

Hello Diary,

I'm so proud of my self and you should be proud of me too. I didn't  
skip one class today. I passed up going to a party and getting drunk  
and I passed up smoking a joint with **101B** Isn't that great! I didn't  
think I could do it.

We're going to the football game tonight. It's Ingrahams first game.  
We're playing against West Seattle. Well, were leaving so I'll write  
more tonight if I have time. Bye.

Not much has happened today. I went to the doctors and got tested for 401/401A But I guess I don't have it cos the doctor never called me back. Boy Am I ever glad!.

Mom is going to the rainbow meeting tonight with 101B so I have to take care of 101B (yek) I quit Rainbow cos' I'm going to be going skiing alot this year.

Ingraham won the game last night 32 to nothing!

Sept. 30, 1973

Sorry I didn't write in you last night, but I don't like to write in you when someones here and 101B stayed the night last night.

Page 7

Not much happened this weekend. Diary, I just can't do it. I can't pass up dope. I droped a hit of cilacidman and smoked some weed this weekend.

October 1, 1973

Well, its the beginning of a brand new month. I've started it out bad already. I got the flu. I got sent home from school today and moms keeping me home tomarrow. I was really feeling sick today and 101B called me up and that cheered me up a little. I really love that guy! I just don't know what I would do without him. Whenever he's around I'm so happy I just smile over nothing. 101B says he doesn't understand me, smiling like that for no reason at all. Oh, well. I just can't help it thow. I guess I should go to bed now diary. Goodnight

Diary - I'm really scared. Sometimes I think that theres something wrong with me and that I'm going to die and my parents aren't telling me. Because I'm constantly sick. Always. But I guess theres nothing I can do about it. Right? Except maybe worry about it a little.

I just had this horrible erge to clean my room so I'll write more to ya later.

October 3, 1973

Hi Diary,

It is going to be so boring around here in a couple of months. **101B** moving the 15th of this month and **101B** is going to move in a while. What am I going to do with all my friends gone?

Oct. 7, 1973

Oh Diary. I just want to runaway and never come back. Moms been on my back. Shes been such a bitch lately. And **101B** dropping little hints that

Page 9

he's going to break up with me cos' he thinks I'm going out on him. I did go to the movies with **101B** and **101B** last night but I told **101B** I didn't want him to try anything cos' of **101B** I love **101B** Not no one else. Why won't he get that through his head? I love him, I love him, I love him ! If he brakes up with me I'll just die. I don't know what I'd do without him. I really don't.

love him, Hes so forgiving. Without him I just couldn't go on living!

I got pretty sick in school today. My glands swelled up and I had a stomacache, and I had a horrible headache.

Now got me back in my classes again. I want to see Jim for some

Page 10

**101B** just came over. He said he believed me that me and **101B** didn't do anything. I'm so happy. Oh diary, I just love him so much. He said he's going to come to my window tonight after my mom goes to bed and we can talk about it more. Bye!

Oct. 12, 1973

Oh diary, now I'm all messed up again. I just want to die. I want to die so bad. Every since **101B** took **101B** away I've wanted him back. God knows how much. I never told you about it because I've been trying to forget him, so I don't like to talk about it, but tonight I have too.

Me and **101B** went to **101B** house cos' we were invited to a party and after we were there a while, **101B** told me he wanted to talk to me. So we went into the bedroom and he told me he loved me and he kept tring to fuck me and I kept saying no and he said that if I didn't do it

I really hate my dad! Now I know what Jim was getting at

Page 11

then he'd know I didn't love him. But I told him I did love him but that I wanted **101B** and he said "fuck **101B**, **101C** I love you, and I want you to go steady with me" I didn't know what to say. So after about 10 min. of sillience I told him, "I couldn't, I love **101B**. Besides I

and tonight I was so drunk I let 101B fuck me. He kept saying he loved me. Diary, What am I suppose to do, 101B told me that 101B didn't love me at all and that

Page 19

he is just waiting for me to brake up with him. I'm going to bring you with me Diary. Gotta go now. Bye.

Well, he's gone now and this time for good. He left me. All alone. Just like that. I didn't even expect it. It just happened so fast. What will I do now? I have no one. No one at all.

He was different from all the other guys. He was someone I could talk to and he'd understand. He was someone that took all my shit, and all the pain I caused him to have. He was someone that'd forgive me so easily. He was someone that was always there when I needed him and most of all, he was someone I loved so deeply.

I didn't even get an explanation except that he didn't want to be tied down. He said he still cared for me and that it could still be like it is now except that we wouldn't be going steady. But it just wouldn't be the same. I probly wouldn't see him as much cos' he'd have other girls besides me.

Its been four hours now that I've been on my own and already I've been down to **101B** and got myself laid like a dumb ass! I just wanted the feeling of someone close to me. I guess in a way I was substatuting **101B** for **101B** Dreaming so hard that it was **101B** instead **101B** that I actully believed it was **101B** I just feel so insecure now. I don't think I'll ever stop crying. I tried but I can't. He's such a big loss in my life. Maybe its for the better. He's to good for just one girl.

So, I'm hurt right now, but shit, don't worry, I'll get over it. I'm practicly used to it! All I want is for you to be happy, and if your happier this way than thats the way I want it.
