On 2-2-74 at 2345 hrs. I received a call from a Mr. William Reisinger of Lacey Wash. Ph. 491-8459. He states that he was watching a t.v. broadcast of a missing person named Lynda Ann Healy w-f 7-3-52 our case#74-5953. Mr. Reisinger states he might have seen This girl in a 68-69 blue chevelle south bound on I-5 about eight miles south of Olympia Wash. He was attracted to the girl by her waving and looking at him in suspicious manner. Ther was a white male driving the car and a white male in the back seat. Mr. Reisinger states that the girl was wearing what appeared to be a white t-shirt with some kind of stripes in it. She was a brunette. The car had a possible pefix of OZ# on the plate. Mr. Reisinger works for the Carl T. Madsen electrical contractors in Shelton Wash. and can be contacted through this company.

Gentlemen:

Re: Richard Ford, Our Case 74-5953

An extensive search of our records has failed to produce any record of the items you list in your letter dated June 2, 1977. We do recall examining jewelry in conjunction with the King County Police Department. It is not quite clear at this time which department assumed custodial responsibility for the jewelry.

This particular investigation was unique in that several law enforcement agencies were involved. We have checked with those agencies and received negative responses from all.

We can only suggest that your client take appropriate action for any claimed loss.

(Cont'd) Two weeks ago: Phil was O.D.'d on beer and 2(b) W-F living at 5210 Brooklyn Ave. N.E. had him taken to University Hospital. Phil stated he at one time wore five rings, turquoise, silver, and ?. Said he gave them away, unknown. ~~He also~~ He also said that while living in the garage he worked for the "Family Affair" rock band at the District Tavern, setting up equipment.

All the Above information is from "Phil." He showed the officers the above houses, addresses listed. This is the same "Phil" who would go to one house in the 5200 block 12th ave. N.E., about the time of Lynda Healy's disappearance, and when the W-F's answered the door, he would say he knew the girls next door, but they weren't home. After that the W-F's would invite him in their house. After he left there, he would go to the house in question next door, and give them the same story. This is also the same "Phil" who was moaning to the bartender at the District Tavern that he wasn't having any luck right then with "White Chicks." Officers talked to SGT G.G. Vasil (#60) of the University of Wash. Police Dept. (Works 2200-0630 HRS, home phone # 1(f) 0800-1200 Hrs). He had information that "Phil" has been bothering W-F's on the Campus (See attached U.W. reports and statements Officers observed Phil this date hitchhiking E/B on N.E. 45th St. at 0440 Hrs. He then waited at bus stop at Roosevelt N.E. and then walked S/B on 9th N.E., through yards to 43rd and 8th N.E.. Stated that his girl friend was drunk, and he left a 5729 Woodlawn N. at 2330 hrs on 8-1-74 to see W-F ("Cammy") at 4323 Thackery Pl. N.E.. Talked to a W-M "Bob" there, and then "Walked around a little." "Phil" told officer: he doesn't like black females, and he does like white females.

Refer: C I D Bulletin 74-6

- 2/15/74 2330 Hrs. I observed that a subject who had been arrested and booked by other Tac Squad Officers this date was very similar in appearance to missing subject HEALY. This Subject is:
 Kenzy, Patricia ?Louise WF 7/5/51 5' 8" #125
 Blue eyes Long Lt. Brown Hair Slim to Medium Build
 Arrested Offer & Agree B/A 74- 3364
 (Polaroid photo taken & sent to Vice Office)
- 2/16/74 005 Hrs. Went to City Jail and observed Kenzy. I talked to her and examined her jewelry in her property box in the presence of the Matron. I could find no scar on the nose of Kenzy, but in talking to her I find additional similarities as to background, etc
 There were no turquoise rings in the box. It did contain a yellow metal ring with a flat top and a field of several small white stones. Kenzy was finally confronted with the Bulletin, and although agreeing that there were similarities, she didn't offer anything further. Perhaps fingerprints would establish true identity.

G On 2/2/74 at approximately 0028 hrs. I responded to the above address and was told by a friend of victim (Joanne C. Testa) that a missing person report was made out earlier on her friend but that she knows something is really wrong, and the other 3 roommates feel that something is wrong. I checked out the victims room and asked if anything was out of place or looked different and the roommates stated that her bed was made up and usually its not. I pulled down the covers and found blood on the sheet and on the pillow. A further check of the room and the victims night gown was found laying in her closet with blood on the back of the neck. All 3 items were taken to the Property room and placed into evidence on number 85516 and a lab request as to the blood type was asked for and to see if all blood was the same type, and also to check for possible seminal stains on the sheet. The roommates stated that the victim has complained of stomach pains and I asked the clerk at the Stop & Go market at Ravenna Blvd. & Brookly (Bob Wilcocks) ^{ABOUT ANY SUSPICIOUS OR UNUSUAL THINGS GOING ON THE PRIOR NIGHT.} He stated he thinks someone came in on 1/1/74 between 0030 hrs. and 0330 hrs and buy some medicine, pepto-bismo. The roommates also found the north side door to house that goes directly to basement area, where victim was at, was unlocked, this door is usually kept locked.

133	8/27/74 Contacted Mr. & Mrs. Everett M. Taylor 551711th NE 524-6146 who are the owners of the home where Linda Healy was living . After going over their rental files they supplied the following information. The girls moved into the home 9/15/73, prior to their moving in the home was occupied by a Paul Beutel, John Hamilton, and a Lance Smith. All these men were employed at pier 91 as inspectors for the US Army and they moved in on 7/22/73. All of them were transferred to someplace in Michigan at the same time. The Taylors were not sure of just where they did go. Also the Taylors are very vague as to who was in and out of the house prior to the army men. Their records indicate an Adrian Morales (who they think was from New Mexico) had the home from 1/4/73 to 5/31/73. A greg Evans (who they can't remember) had the home from 7/29/72 to 12/31/72. From sometime in the fall of 1971 until 6/15/72 a Cecil E. Snodgrass 1617 NE47, and a Jeffery L. Pewe, Michael T. Haynes, and a William J. MacDonnell had the home. Mr. Taylor remembers the Pewe boy because he was the one who built the two bedrooms in the basement but the rest of the men they have no recollection of. The Taylors say they try to keep track of who is living in the home but do not fare to well. They say that many times tenants will move out and another will move in with the original group without their knowledge. Mr. Taylor says that as soon as the tenants move out he changes the lock cylinders, he did remember giving the only key to the side door of the house to Linda. 8/28/74 Contacted Det. Dunlap of the U of W Police and ran all the names thru their records. Returns are Cecil Snodgrass permanent address 203 W. Comstock, when attending school in the spring quarter (pre-med) he gave 7709 15 NW 782-0620 as his present address. His date of birth is 1/7/49, and has been attending the U since 1967. Michael Haynes DOB 2/17/49 permanent address 9416 E. 120 Puyallup TH5-2718. He gave his spring quarter address as 7709 15th NW. Jeffery Pewe gave his address as 4141 Brooklyn #301 632-4406 in the fall quarter and his DOB 7/20/49. Det. Dunlap has nothing on any of the others but is still checking on Adrian Morales. Nothing on any of these people in our B/R.

G On 2/2/74 at approximately 0028 hrs. I responded to the above address and was told by a friend of victim (Joanne C. Testa) that a missing person report was made out earlier on her friend but that she knows something is really wrong, and the other 3 roommates feel that something is wrong. I checked out the victims room and asked if anything was out of place or looked different and the roommates stated that her bed was made up and usually its not. I pulled down the covers and found blood on the sheet and on the pillow. A further check of the room and the victims night gown was found laying in her closet with blood on the back of the neck. All 3 items were taken to the Property room and placed into evidence on number 85516 and a lab request as to the blood type was asked for and to see if all blood was the same type, and also to check for possible seminal stains on the sheet. The roommates stated that the victim has complained of stomach pains and I asked the clerk at the Stop & Go market at Ravenna Blvd. & Brookly (Bob Wilcocks) ^{ABOUT ANY SUSPICIOUS OR UNUSUAL THINGS GOING ON THE PRIOR NIGHT.} He stated he thinks someone came in on 1/1/74 between 0030 hrs. and 0330 hrs and buy some medicine, pepto-bismo. The roommates also found the north side door to house that goes directly to badement area, where victim was at, was unlocked, this door is usually kept locked.

(Cont'd) Two weeks ago: Phil was O.D.'d on beer and 2(b) W-F living at 5210 Brooklyn Ave. N.E. had him taken to University Hospital. Phil stated he at one time wore five rings, turquoise, silver, and ?. Said he gave them away, unknown. ~~He also~~ He also said that while living in the garage he worked for the "Family Affair" rock band at the District Tavern, setting up equipment.

All the Above information is from "Phil." He showed the officers the above houses, addresses listed. This is the same "Phil" who would go to one house in the 5200 block 12th ave. N.E., about the time of Lynda Healy's disappearance, and when the W-F's answered the door, he would say he knew the girls next door, but they weren't home. After that the W-F's would invite him in their house. After he left there, he would go to the house in question next door, and give them the same story. This is also the same "Phil" who was moaning to the bartender at the District Tavern that he wasn't having any luck right then with "White Chicks." Officers talked to SGT G.G. Vasil (#60) of the University of Wash. Police Dept. (Works 2200-0630 HRS, home phone # 1(f) 0800-1200 Hrs). He had information that "Phil" has been bothering W-F's on the Campus (See attached U.W. reports and statements Officers observed Phil this date hitchhiking E/B on N.E. 45th St. at 0440 Hrs. He then waited at bus stop at Roosevelt N.E. and then walked S/B on 9th N.E., through yards to 43rd and 8th N.E.. Stated that his girl friend was drunk, and he left a 5729 Woodlawn N. at 2330 hrs on 8-1-74 to see W-F ("Cammy") at 4323 Thackery Pl. N.E.. Talked to a W-M "Bob" there, and then "Walked around a little." "Phil" told officer he doesn't like black females, and he does like white females.

HAS BEEN COMMANDED TO KILL. HE NEVER MENTIONED HOW EVER KILLING LYNDA HEALEY OR HEDI PETERSON. WALKER WAS TAKEN TO HARBORVIEW HOP FOR PHYSIO TESTS.

I WENT TO 5241-11 NE & LOOKED AROUND THE BASEMENT WHERE WALKER HAS BEEN STAYING. THERE WERE A LOT OF CLOTHING BELONGING TO A MAN & A BAG OF CLOTHES BELONGING TO A WOMAN. IN THIS BAG ARE SOME BLUE JEANS, & WOMENS BLOUSES.

ONE BLOUSE IS SIMILAR TO THE PICTURE OF LYNDA HEALEY THAT WAS DISTRIBUTED THROUGH OUT THE DEPARTMENT, (THE ONE SHE WAS WEARING.) THE SOCIAL WORKER AT HARBORVIEW HOSPITAL TALKED & THE STAFF DOCTOR "VLAKAKIS" BOTH STATE WALKER IS CAPABLE OF HOMICIDIAL ACTS. WALKER HAS BEEN ADMITTED TO WESTERN STATE HOSPITAL AS A 2(b) SURELY WALKER LIVES SO CLOSE TO THE HEALEY ADDRESS & HIS CONDITION, THE WOMANS CLOTHES FOUND AROUND HIS BELONGINGS & THE DOCTORS ACKNOWLEDG HIS CAPABILITY OF COMMITTING A HOMICIDIAL ACT I THINK WALKER IS A GOOD SUSPECT IN THE LYNDA HEALEY CASE & MAYBE EVEN THE HEDI PETERSON CASE. OFFICER WHILE LISTING THE CLOTHES FOR THIS REPORT FOUND A BLUE JEANS SKIRT WITH A LARGE AMOUNT OF BLOOD (DRY) STAINS.

Refer: C I D Bulletin 74-6

- 2/15/74 2330 Hrs. I observed that a subject who had been arrested and booked by other Tac Squad Officers this date was very similar in appearance to missing subject HEALY. This Subject is:
 Kenzy, Patricia ? Louise WF 7/5/51 5' 8" #125
 Blue eyes Long Lt. Brown Hair Slim to Medium Build
 Arrested Offer & Agree B/A 74- 3364
 (Polaroid photo taken & sent to Vice Office)
- 2/16/74 005 Hrs. Went to City Jail and observed Kenzy. I talked to her and examined her jewelry in her property box in the presence of the Matron. I could find no scar on the nose of Kenzy, but in talking to her I find additional similarities as to background, etc. There were no turquoise rings in the box. It did contain a yellow metal ring with a flat top and a field of several small white stones. Kenzy was finally confronted with the Bulletin, and although agreeing that there were similarities, she didn't offer anything further. Perhaps fingerprints would establish true identity.

G On 2/2/74 at approximately 0028 hrs. I responded to the above address and was told by a friend of victim (Joanne C. Testa) that a missing person report was made out earlier on her friend but that she knows something is really wrong, and the other 3 roommates feel that something is wrong. I checked out the victims room and asked if anything was out of place or looked different and the roommates stated that her bed was made up and usually its not. I pulled down the covers and found blood on the sheet and on the pillow. A further check of the room and the victims night gown was found laying in her closet with blood on the back of the neck. All 3 items were taken to the Property room and placed into evidence on number 85516 and a lab request as to the blood type was asked for and to see if all blood was the same type, and also to check for possible seminal stains on the sheet. The roommates stated that the victim has complained of stomach pains and I asked the clerk at the Stop & Go market at Ravenna Blvd. & Brookly (Bob Wilcocks) ^{ABOUT ANY SUSPICIOUS OR UNUSUAL THINGS GOING ON THE PRIOR NIGHT.} He stated he thinks someone came in on 1/1/74 between 0030 hrs. and 0330 hrs and buy some medicine, pepto-bismo. The roommates also found the north side door to house that goes directly to basement area, where victim was at, was unlocked, this door is usually kept locked.
